

ATHLETIC PARTICIPATION FORM

It is the goal of the Howard County Public School System's Interscholastic Sports Program to provide a safe and supportive environment for all student athletes. We believe athletes need to develop skills that will teach good sportsmanship, self-discipline, and relationship skills. Toward that end, coaches, students, and parents should be aware of school and county policies and procedures that enhance these goals.

Please read carefully the conditions of participation. Please complete and sign Section V and return this form to the appropriate coach or the Athletics and Activities Manager (AAM) **prior** to your student's taking part in any sport-related activity. We look forward to your child's active participation in our athletic program and anticipate an excellent season.

Section I - Guidelines for Participants

For students to be eligible to participate in the Howard County Interscholastic Sports Program they must have on file at their high school proof of meeting the following requirements. Requirements are to be met prior to the first practice for any sport.

Students in other sports may voluntarily participate in the testing program; Cross Country, Golf, Indoor and Outdoor Track (with the exception of Pole Vault) and Tennis.

Section II - Other Eligibility Requirements and Howard County Public School System Policies

These requirements must be verified as having been met prior to the first competition for any sport.

A. Academic Eligibility

A student must comply with the Academic Eligibility for High School Extracurricular Activities Policy (Board of Education Policy #9070). "For high school, a full-time student earns academic eligibility to participate in extracurricular activities by maintaining a 2.0 grade-point average (GPA), calculated using credit or non-credit courses, with no more than one failing grade for the marking period which governs eligibility for that activity. This provision does not apply to incoming 9th grade students for fall eligibility. Weighted grades will be used for academic eligibility for extracurricular activities, including high school athletics" *Applicable parts of Policy 9070 are in the Secondary Student Handbook.*

B. Residency Requirement

Following Section I – E above, each student must have on file in the school proof of bona fide residency in the attendance area of the school on whose athletic team they wish to play. Athletic eligibility for students who are reassigned from the school in their attendance area is governed by Policy 9000, Enrollment, Residency, Student Assignment and Admission to Pre-K and Kindergarten.

C. Drug and Alcohol Policy

Students must comply with Policy 9230, Alcohol, Other Drugs, Prescription Medication and Over the Counter Products. Consequences for violations of Policy 9230 are stated in the Policy itself. Depending on the specific violation of the policy, a student may be excluded from extracurricular participation from as little as 30 days to as much as the remainder of the semester and the entire next semester. *Applicable parts of Policy 9230 are in the Secondary Student Handbook.*

D. Safe School Environments (Policy 1040) and Howard County Public School System (HCPSS) Codes of Conduct

Bullying--defined in the HCPSS Code of Conduct--is prohibited. Threats, profanity, defamation, harassment, assault, battery, hazing, and intimidation are prohibited under Policy 1040, Safe School Environments; the policy covers students and third parties (parents and spectators). Participation (one's involvement even though the student doesn't create the harm to another) in any intentional or reckless act (action taken or situation created that involves mental or physical discomfort, embarrassment, humiliation, harassment, or ridicule) directed against another for the purpose of initiation into, affiliation with, or maintenance of membership in any school-sponsored activity, organization, club, or athletic team is considered "hazing" and is a violation of Policy 1040. Policy 1040, the HCPSS Code of Conduct, and the HCPSS Code of Conduct for Interscholastic Student-Athletes will be administered in response to any student violation. Parents violating Policy 1040 may be banned from all athletic events and/or practices for the remainder of the school year. Parents or athletes who become aware of inappropriate and unacceptable behaviors should contact a coach, athletics and activities manager, or school administrator. *Applicable parts of Policy 1040 and the entire Code of Conduct are in the Secondary Student Handbook.*
