

**I. Policy Statement**

The Board of Education recognizes the importance and value of an education-based interscholastic athletic program as part of the total educational program. The Howard County Public School System (HCPSS) strives to cultivate an environment that values and respects the diverse population within our schools and will promote inclusion and equity through sport.

The Board also recognizes that interscholastic athletics provide an opportunity for the entire student body to demonstrate school spirit and positive citizenship.

**II. Purpose**

The purpose of this policy is to establish criteria for implementing the interscholastic athletic program.

**III. Definitions**

Within the context of this policy, the following definitions apply:

- A. Allied Sports – Approved athletic competition between two or more high schools for students with disabilities and general education students who have never been a member of a junior varsity or varsity interscholastic athletic team.
- B. Approved Athletic Teams – Interscholastic athletic teams approved by the Board of Education.
- C. Committee for Interscholastic Athletics (CIA) – A group of stakeholders that assist in the review and update of the HCPSS Interscholastic Sports Policies and Procedures Handbook and gives annual approval of the handbook.
- D. Concussion Management Protocol – Education and implementation of a comprehensive return to play procedures for post-concussion care of student-athletes.
- E. Interscholastic Athletics – Approved athletic competition between or among two or more high schools.
- F. Sports Medicine Advisory Committee (SMAC) – A specialized group of stakeholders comprised of medical professionals and education leaders who review, revise, and recommend implementation procedures that reflect current trends and best practices in sports medicine as it applies to interscholastic athletics.

- G. The Interscholastic Athletics Advisory Committee (IAAC) – A committee to advise staff relating to proposed plans for the athletic program.

#### IV. Standards

- A. The goals for students who participate in the HCPSS interscholastic athletic program include:
  - 1. Developing feelings of self-worth
  - 2. Learning appropriate behavior when working with others by demonstrating good sportsmanship
  - 3. Learning to cooperate in a competitive context
  - 4. Learning to understand and control emotions
  - 5. Developing good health habits
  - 6. Improving physical fitness
  - 7. Learning sports skills
  - 8. Learning to appreciate diversity, equity, and inclusion.
- B. The HCPSS Interscholastic Sports Policies and Procedures Handbook that includes allied sports will be reviewed and updated annually. The handbook will ensure that the interscholastic athletic program complies with Title IX of the Education Amendments of 1972, Public Law 92-318, as well as the Public School Laws of Maryland; the recommendations and standards of the Maryland State Department of Education, including The Fitness and Athletic Equity for Students with Disabilities Act of 2008, The Handbook of the Maryland Public Schools Secondary Athletic Association, and the recommendation of the Sports Medicine Advisory Council.
- C. The Sports Medicine Advisory Committee will advise the Superintendent/Designee on the following topics but not limited to:
  - 1. Sports Medicine
  - 2. Pre-Participation Physical Examination
  - 3. Concussion Management Protocol
  - 4. Cardiovascular Health.
- D. The Committee for Interscholastic Athletics (CIA) will serve as an advisory group for the approval of the HCPSS Interscholastic Sports Policies and Procedures Handbook.
- E. The Interscholastic Athletic Advisory Committee (IAAC) will serve as an advisory group for the interscholastic athletic program.
- F. Selection of coaches will comply with Policy 7120 Coaches and Advisors of High School Extracurricular Activities.
- G. An athletic equipment and uniforms essential list will be developed for each approved athletic team.

- H. There will be central distribution of funds to high schools for the purchasing of athletic equipment and uniforms.
- I. Only those high school interscholastic teams approved by the Board are authorized. The Board does not authorize interscholastic club sports, interscholastic middle school sports, or non-school teams.
