

About Online Course Requests

Students and parents/guardians will make course requests for electives and alternates online through HCPSS Connect. Please note the following when making your course requests:

- Use the Catalog of Approved High School Courses to review course selections. Please note course descriptions and prerequisites.
- If you do not have access to a computer, need assistance, or want to make changes after the form due date, please contact the counseling office at your student's school.
- If you have concerns about or disagree with any of the course recommendations, you may complete the reverse side of High School Course Registration Form that was sent home.
- Select electives to ensure that you have seven credits requested.
- Select three courses to be used as alternates if an elective is not available or there is a scheduling conflict.
