

Health Care Reform Update

Summary of Preventive and Contraceptive Services

(as of January 2019)

The services set forth below apply to plans that have elected or are required to provide preventive and contraceptive services under the Patient Protection and Affordable Care Act. Such services are covered where clinically appropriate, under recommendations of the United States Preventive Services Task Force and supporting evidence. Limitations may apply with respect to the availability, setting, frequency, or method of a service or treatment. Subscribers are responsible for payment of their monthly premium. However, unlike some services, these preventive and contraceptive services are offered at no additional cost. You will not pay a copay or coinsurance for these services, even if you haven't met your deductible.
