

Spend less time managing your benefits and more time on your self(ies).

What is a Health Care FSA?

A Health Care FSA is an easy way to set aside pre-tax dollars directly from your paycheck to use towards your out-of-pocket health care expenses.

Using a Health Care FSA allows you save money on medical expenses you already have. Don't let your hard earned dollars go to waste!

Save money on:

- Copays
 - Deductibles
 - Prescriptions
 - Lasik
 - Orthodontia
 - Dental Expenses
 - Chiropractic
 - Vision Expenses
 - Massage
- ...and much more!

Enroll in the Health Care FSA today!
