Navigating the Highly Selective College Admissions Process

Keynote: Dr. Lori Sundberg

What are prestigious colleges looking for when they admit candidates? Years ago, college valedictorians with perfect or near perfect test scores were often admitted to all of their top choices, but not so today. More students are applying than ever before, and many highly selective colleges are accepting less than 10% of the applicants. Learn how to present yourself, strategize, and maximize your chances of being admitted to your dream school.
