<http://www.hcpss.org/school-planning/aac-process/>
 - PowerPoint
 - Summary notes
- ▶ Outreach
 - Online web surveys
 - Email & letters to boe@hcpss.org will not be part of AAC process

HCPSS - 2017 Attendance Area Committee 4

Participant Expectations

Policy 1000 sets clear expectations for civil behavior that support a **SAFE, ENGAGING** and **SUPPORTIVE ENVIRONMENT** on school property and at school-related activities.

- ▶ Begin/end on time.
- ▶ Ensure equity of voice.
- ▶ Respect difference of opinions.
- ▶ Listen with an open mind.
- ▶ All ideas are valid and should be heard.
- ▶ Be willing to support a team consensus by looking at both sides of an issue.

HCPSS - 2017 Attendance Area Committee 5

AAC Goal Setting

- ▶ Set a goal for plan improvement
 - Identify (in small groups) the problem statement (e.g., school opening, addition, etc.)
 - Questions: what consideration is most important (see Policy 6010); what considerations are least important?
 - Identify any potential risks or benefits
 - Set strategic goals for the group
 - Present and discuss

HCPSS - 2017 Attendance Area Committee 6

Scenario Tools

- ▶ Policy 6010
- ▶ Feasibility Study
- ▶ Planning polygon summary
- ▶ Feasibility Study boundary maps
- ▶ Current attendance area maps
- ▶ Geographic Information System (GIS)
- ▶ Scenario testing software

HCPSS - 2017 Attendance Area Committee 7

Scenario Testing

- ▶ Small group work on scenario testing with staff.

HCPSS - 2017 Attendance Area Committee 8

AAC Homework

- ▶ Review feedback received thus far.
- ▶ Continue to use resources to identify potential changes
- ▶ Return 7/18* at 6:30 p.m. with more ideas

Meeting location change: ARL, room B37

HCPSS - 2017 Attendance Area Committee 9
