

2017 Attendance Area Committee

Meeting #3: Scenario Testing

**Renee Kamen, AICP
Tim Rogers
Office of School Planning**

July 18, 2017

Meeting Agenda

- ▶ AAC Meeting #2, recap
- ▶ Participant expectations
- ▶ Scenario testing
 - Review group projects with Tables
 - Report out progress and ideas to all AAC members
- ▶ Concluding thoughts and next steps

AAC Meeting 2: Review

- ▶ Set a goal for plan improvement
 - Identify (in small groups) the problem statement (e.g., school opening, addition, etc.)
 - Questions: what considerations are most important (see Policy 6010); what considerations are least important?
 - Identify any potential risks or benefits
 - Set strategic goals for the group
 - Present and discuss

Participant Expectations

Policy 1000 sets clear expectations for civil behavior that support a **SAFE, ENGAGING** and **SUPPORTIVE ENVIRONMENT** on school property and at school-related activities.

- ▶ Begin/end on time.
- ▶ Ensure equity of voice.
- ▶ Respect difference of opinions.
- ▶ Listen with an open mind.
- ▶ All ideas are valid and should be heard.
- ▶ Be willing to support a team consensus by looking at both sides of an issue.

Scenario Testing

- ▶ Continue small group work on scenario testing with staff facilitation.
- ▶ Discuss ideas generated with provided plans.
- ▶ Table report out of ideas generated.

AAC Homework

- ▶ Review survey feedback received thus far.
- ▶ Continue to use resources to identify potential changes
- ▶ Return 7/25* at 6:30 p.m. with more ideas

**Meeting location: Board of Education's Board Room*
