Cedar Lane School is a public day school for students ages 3 to 21. The staff and facility at Cedar Lane School provide services to students experiencing significant disabilities as well as students with autism. Parents are an integral part of the program and a resource for assisting with the instructional process, in addition to being on the educational team for their child.

Students enrolled in Cedar Lane School participate in classroom groups based on chronological age that correspond to general education students. Because of the school's advantageous setting on a campus with general education elementary, middle, and high schools, students are afforded the structure and educational support provided by a separate facility, while being offered the opportunity for interaction and education with non-disabled peers.

Welcome to Cedar Lane! Our school is a one of a kind learning environment where our motto is "learning is for everyone." Students at Cedar Lane learn to communicate, participate in academics, become independent movers, and build relationships with other students on the Fulton campus.

We are privileged to lead a staff of teachers, therapists, nurses, and paraprofessionals who strive to facilitate learning experiences for our students. As a staff, we value communication, compassion, and positivity. These values are integrated into our daily work and our relationships with families.

Cedar Lane is proud to have an exceptional PTA and overall parent involvement. We welcome the community to participate throughout the school year in events such as Basket Bingo and our Walk for our Stars fund-raising opportunities. Please check our website for announcements and details about these events.
