At Clarksville Elementary School, we are proud of our long-standing tradition of academic excellence amidst a family atmosphere. We are committed to providing a strong foundation comprised of academic, interpersonal, and technological skills that will enable all students to be college and career ready.

We continue to provide the highest quality education that our students deserve. Teachers are involved in staff development and professional learning communities focused on best practices, collaboration and continuous improvement. Our highly qualified staff is committed to helping each student reach his or her potential by providing exemplary instruction. An emphasis on relevant and engaging learning opportunities, which are differentiated and based upon the strengths and needs of the individual student, is at the center of instruction.

Our PTA is a true partner, providing support for our school programs, academic/social goals and promoting health and wellness. Our parents volunteer, serve on committees and support initiatives such as cultural arts, parent education workshops, family fun nights, green school awareness, and several community drives.

Clarksville's achievements are a result of the dedication and commitment toward teaching and learning. Our success is reflected in our selection as a Maryland Blue Ribbon School and a National Blue Ribbon School.
