Clemens Crossing is a school where students, staff, and parents value education. We believe in the need to create an environment where all students have the opportunity to succeed and reach their potential. Our mission statement and slogan reflect this:

It is the mission of Clemens Crossing Elementary School to inspire continual achievement by fostering a safe, positive and nurturing environment where learning, teaching and diversity are valued. Clemens Crossing...Always Achieving!

Staff, parents, and administrators work together as partners to provide students with a nurturing, supportive environment in order to acquire skills and concepts and apply them to real world situations. This includes:

- A comprehensive, balanced language arts program emphasizing a meaning-centered learning approach through literature, comprehension skills, writing, phonics, spelling, vocabulary development, and grammar.
- A mathematics program that offers students opportunities to learn problem solving skills and strategies orally, in writing, and with understanding; number sense strategies; important mathematical concepts and procedures; and basic math facts.
- Curriculum-based assessments in language arts and mathematics to evaluate achievement and determine appropriate instructional levels for students.
- An extensive Gifted and Talented Program comprised of instructional seminars, curriculum extension units in Grades 1-5, Type III investigations, and a G/T mathematics program in Grades 4 and 5.
- A strong Special Education program providing a continuum of services to students with Individualized Education Plans.
- A technology program that includes instruction from technology teachers and students working on multimedia and Web 2.0 based projects.
- An active PTA volunteer corps providing strong parental and community support for school programs.
- A fully integrated PBIS behavior support program that provides a framework for acknowledging positive behaviors throughout the school.

We are very proud to be part of the Clemens Crossing school community.
