Hammond Elementary School is home to over 600 students who are striving to become college and career ready! Our staff is committed to providing a safe and nurturing learning environment that fosters individual success through academic excellence and an appreciation of diversity.

Departmentalization continues to be the model for integrated instruction. Students receive instruction for language arts/reading/social studies and math/science/health. Staff maximizes instructional time with multi-level student groups that aim to provide acceleration opportunities for all students. Hammond staff believes in promoting a growth mindset in both students and staff in order to support a culture of continual improvement within all aspects of the school day.

Our PTA is an essential partnership that consistently supports our students and staff. Our PTA sponsors many events, such as Family Restaurant Nights, the Annual Fall Festival, Family FIT Night, the Family Talent Show, and Multicultural Night, just to name a few.
