

# Hollifield Station Elementary School

## PROFILE

2016-17

8701 Stonehouse Drive • Ellicott City, MD 21043 • 410-313-2550 • [hses.hcps.org/](http://hses.hcps.org/)

Hollifield Station Elementary has a reputation for excellence that students, staff and community members work hard to maintain through collaboration and highly effective instruction. Our staff supports emotional, physical, social and academic development to ensure all children are on a path to college and career readiness. We work diligently to develop and maintain positive relationships with all students and their families in a nurturing learning environment.

Our reading and math specialists work alongside teachers to ensure rigorous learning experiences for all students. Staff members work to support parents in understanding college and career readiness standards and how to provide support at home.

Students at Hollifield Station enjoy participating in many artistic activities. Our arts department engages students in a variety of high performing musical ensembles, the visual arts, and other opportunities where students develop their artistic skills.

The HSES Parent Teacher Association provides many activities for families and supports our school in a variety of ways. Students benefit from many PTA instructional assemblies, as well as International Night, Movie Nights, and the Boosterthon Fun Run.

Hollifield Station has successfully participated in a long-standing partnership with Towson University alongside Waverly Elementary and St. John's Lane Elementary. Many classrooms include teaching interns, who increase both adult and student learning throughout the school. Being a Professional Development School (PDS) allows us to provide rich learning experiences for all teachers throughout each school year.

### Mission and Vision of Hollifield Station Elementary School

Our mission is to promote academic excellence through interdisciplinary, project based learning while fostering respect for diversity, responsibility for each other and our environment, and readiness to meet the needs of our changing world.

Our vision is to instill a nurturing learning environment which encourages respectful relationships and collaboration between all members within our learning community.

Lisa J. Booth, Principal  
Cheryl V. Santoni, Assistant Principal
