## PROFILE

2016-17

11575 Frederick Road • Ellicott City, MD 21042 • 410-313-7165 • [mwes.hcps.org/](http://mwes.hcps.org/)

Manor Woods Elementary School is one of only six schools to be named a **2016-17 Maryland Blue Ribbon School** by the Maryland State Department of Education. The Blue Ribbon Schools Program is a state and national program that recognizes and honors schools that exhibit high performance and/or significant improvement in reading and mathematics achievement as measured by Maryland assessments.

Manor Woods Elementary has developed a highly effective **School Improvement Plan** that will continue to ensure excellence and growth for all students. Our mission statement (see next page) guides us in the belief that it is our responsibility to help each student realize his/her fullest potential in a positive environment.

Our outstanding academic achievements are a result of boundless enthusiasm, true dedication, positive energy, and remarkable commitment toward teaching and learning from the Manor Woods students, staff, parents and community. We continue to provide the highest quality education that our Manor Woods families expect and deserve, through our professional learning communities and staff development. Our programs include early interventions, flexible instructional groupings, and strategic integration of technology where students are actively involved in their learning. Students are equipped with basic underlying skills and provided with a continuum of higher-level thinking experiences to prepare them to be productive and contributing citizens.

We are proud of the entire Manor Woods School community and feel fortunate to be the administrators of such a wonderful school. It is our sincere hope that ALL students enjoy happiness and success here.
