

Phelps Luck Elementary School

PROFILE

2016-17

5370 Oldstone Court • Columbia, MD 21045 • 410-313-6886 • ples.hcps.org/

The staff, students, and families of Phelps Luck Elementary School are proud of the tradition of excellence, creativity, and caring that is in place at our school. The partnership between home and school allows us to meet the challenge of helping students meet success.

Staff members are committed to providing targeted and meaningful instruction that addresses the individual needs of our students. Collaborative planning and frequent review of student data are key factors in providing differentiated instruction for students. Our Reading and Math Support Teachers assist teachers in implementing lessons that align with the Common Core standards. Academic interventions, focusing on accelerating and/or extending student learning, are provided before, during, and after school hours. We are committed to fostering an environment that is conducive to teaching and learning. Our school behavior plan celebrates student accomplishments and teaches students to respect themselves, others, and property.

Our efforts to support our students are further enhanced through our participation in the Elementary School Model (ESM), which consists of:

- Spanish instruction for all students, 20–30 minutes every day.
- Departmentalized approach to instruction to develop expertise and content mastery among our teachers, while also allowing for more streamlined professional development and planning. Teachers focus their instruction on delivering either ELA/Social Studies or Math/Science content.
- The teachers teach two sessions of each specialty area while each child will have one teacher for ELA/SS and another for Math/Science.
- Grades 1–5 participate in Departmentalization; K and Pre-K do not.
- Full Day Pre-kindergarten will be offered to eligible families.
- Partnership with Gallup will emphasize “Strength Based Learning.”
- TeleHealth – A partnership between HCPSS, Howard County Health Department, community pediatricians, and Howard County General Hospital provide site-based acute care for students.

Phelps Luck is proud of our strong and active PTA. Parents are encouraged to volunteer and consistently participate in their child’s education. The commitment demonstrated by our staff, students, and supportive community enhances the school experience for all.

Michelle Leader, Principal
Connie Fowlkes, Assistant Principal
