For more than 40 years, Oakland Mills High School students have distinguished themselves as academically accomplished, artistically gifted, and athletically renowned. At Oakland Mills High School, students achieve excellence in an inspiring, engaging, and supportive environment.

Our vision is that the Oakland Mills learning experience will prepare our students to contribute, compete, and adapt in an increasingly global and technological society. Oakland Mills High School staff members are committed to helping each student grow academically, socially, and emotionally. We instill respect, responsibility, and integrity, while collaboratively empowering our students to achieve.

Oakland Mills is proud to have an educational partnership with The Johns Hopkins University and to be designated as a Professional Development School. With this designation, Oakland Mills provides internship placements for teacher candidates.

Oakland Mills has a comprehensive program with offerings in college preparatory, business, technology, performing arts, JROTC, family and consumer sciences, and specialized education programs for students with developmental and learning difficulties. We address the instructional needs and goals of our students with curricular programs designed to provide all students the opportunity to achieve their greatest potential.

Anyone who has experienced Oakland Mills High School agrees, there is no place like home.
