At Burleigh Manor, we are extremely proud of our challenging and rigorous courses of study, as well as all of the enrichment activities and opportunities we offer to our students. Students may participate in chorus, chamber choir, band, jazz band, orchestra, mural design, athletic intramurals, memory book production, and TV studio production, as well as GT Seminars (Debate, Shakespeare, Film Institute, Book Club), Economic Literacy, and World Language. The Burleigh Manor music programs are renown throughout the county and the state of Maryland. Burleigh Manor's STEM programs compete at the state and county level. Some of these programs are Math Olympiads, Math Counts, First Lego League/Robotics, Paper Roller Coaster Challenge, and an Hour of Code. The BMMS It's Academic Team sends individuals and groups to National tournaments, The National History Bee and Bowl.

Burleigh Manor promotes academic achievement and healthy development for every student by intentionally cultivating a thriving school culture for all members of the school community.

Our belief is that school should provide students with choice and an engaging learning experience. Burleigh Manor strives to achieve these goals every day.
