

# Clarksville Middle School

## PROFILE

2016-17

6535 S. Trotter Road • Clarksville, MD 21029 • 410-313-7057 • cms.hcps.org

Clarksville Middle School, a National and Maryland Blue Ribbon School of Excellence, prepares students for College and Career Readiness by focusing on the whole child. We strive for each student and staff member to be engaged, inspired to learn and empowered to excel. Our rigorous curriculum, in addition to core subjects, include fine art disciplines, world languages, and enrichment programs that promote a high-quality education for all students.

At Clarksville, we value our rigorous academic curriculum and programs that are offered to all students. Our music program is one of the finest in the county. Students participate in chamber choir, chorus, band, jazz band, and orchestra. Through enrichment seminars and our STEM programs, students can participate in robotics, engineering, Science Olympiad, Math Olympiad, Math Counts, fishery science, It's Academic, FBLA, FEA, SGA, Odyssey of the Mind, debate, computer programming, graphic arts, film, TV production, and Student Ambassadors.

Clarksville Middle School's stellar reputation is due to our committed, knowledgeable, exemplary staff that continually goes above and beyond for our students before, during, and after class and as sponsors of our clubs and athletic intramural programs. Clarksville staff work closely with our incredible PTA and community. The partnership with our dedicated parents cements a strong foundation for students as they navigate through a world-class middle school experience. We all play a critical role in ensuring that our students continue to thrive.

It is the goal of Clarksville Middle School to serve as a model of excellence. We inspire, engage, and challenge every student to discover and strive to reach his or her full potential. This is our call to action: to fulfill the promise of preparation.

Joelle Miller, Principal  
Peter Gaylord, Assistant Principal

### Fast Facts
