

Elkridge Landing Middle School

PROFILE

2016-17

7085 Montgomery Road • Elkridge, MD 21075 • 410-313-5040 • elms.hcps.org

At Elkridge Landing Middle School, students, staff and parents work collaboratively to provide a safe, nurturing environment that is focused on academic excellence for all. Since the school opened in 1995, the staff has worked hard to develop a tradition of high academic standards and to provide enrichment activities that promote the development of healthy, productive and ethical citizens.

Our talented staff recognizes the special needs of young adolescents and is dedicated to providing learning opportunities that foster the intellectual, social, emotional and physical development of our students. In addition, we encourage our students to think critically and creatively by providing challenging and rigorous academic classes, as well as a variety of related arts courses such as Art, Family and Consumer Sciences, World Language, Health, Music, Physical Education and Technology Education.

Elkridge Landing is committed to having all students meet the rigorous performance standards established by our county, state and national governments. Also, to ensure a well-balanced educational experience for our students, we provide a number of extracurricular activities such as the Homework Club, Jazz Band, Art Club, basketball, soccer, drama, volleyball, and flag football.

Community involvement is an important component of our school. In addition to our PTSA, we have many business partnerships established. Our staff is very grateful for all of the support and encouragement we receive from the Elkridge community.

Together, the Elkridge Landing Middle School community—students, staff, parents and partners—are working to ensure the success of all our students. For more information about our school, please visit our website at www.hcps.org/elms.

Gina Cash, Principal
Sam Davis, Assistant Principal
