## PROFILE

2016-17

13500 Triadelphia Road • Ellicott City, MD 21042 • 410-313-1506 • fqms.hcps.org

The Folly Quarter Middle School faculty is dedicated to working together with our larger learning community to ensure that ALL of our students actively engage in learning, meet success now, and are fully prepared for a positive future. To accomplish this critical mission, we strive daily to create an exemplary middle school by continuously improving the quality of teaching and learning.

As a learning community of students, parents, and staff, we are very proud of the fact that our work has been successful as Folly Quarter has been recognized as a Maryland Blue Ribbon School, a National Blue Ribbon School, and the 12th Best Middle School in the USA by TheBestSchools.org.

In spite of these wonderful accolades, we all recognize that the road to success is always under construction. As a result, individual staff members and teams of teachers are constantly engaged in improvement planning processes and reflective exercises to ensure that Folly Quarter provides EACH student with a solid foundation for subsequent academic endeavors and, therefore, ensure that they are well established on the path to being "college and career ready."
