Glenwood Middle School is committed to Fulfilling the Promise of Preparation through implementation of HCPSS Vision 2018. To accomplish this mission and meet the goals of the Howard County Public School System and the Maryland Common Core State Curriculum, Glenwood is focused on improving student preparation for College and Career Readiness.

The staff at Glenwood Middle School is proud to serve the unique academic, physical, social and emotional needs of our students. Our school offers students a wonderful opportunity to learn and grow in a challenging and supportive environment as they transition from childhood to adolescence. We recognize each student as an individual with his or her own unique strengths. We also know that child will change and develop significantly over the course of three years at Glenwood, and we partner with parents during this crucial time.

At Glenwood, we strive to be the best possible. Our theme, Greatness Awaits..., provides an opportunity for every member of our school community to demonstrate the greatness that lies within. To this end, everyone (students, teachers, parents, and community members) are challenged to **BE REMARKABLE** and **DISTINGUISHED** each day. This is how we define **GREATNESS** at Glenwood!

A strong and supportive PTSA is actively involved in many aspects of the programs at Glenwood. Parents and community partners work with the school to provide programs to enhance the educational experiences for our students.
