Lime Kiln Middle School is a caring, compassionate learning community that nurtures and supports exemplary education for every student. All stakeholders – students, families, staff and other community members – are actively involved in the process of continuous learning and improvement.

Lime Kiln was honored with the 2011 National Blue Ribbon School of Excellence Award from the U.S. Department of Education, earned by schools for rigorous state and national requirements for high achievement and overall excellence in school programming. In 2010, the Maryland State Department recognized Lime Kiln as a Maryland Blue Ribbon School of Excellence for high achievement.

In addition, with emphasis on environmental literacy, LKMS is one of Howard County's Green Schools and recently achieved recertification in 2016 for the third time. LKMS also earned Gold PBIS (Positive Behavioral Interventions and Supports) awards for 2014, 2015, and 2016.

Enrichment programs, fine arts, and athletics are also strong areas at Lime Kiln. Additionally, our after-school programs provide extended learning opportunities, community service, and field experiences.

Lime Kiln's many successes are based on the contributions of professional educators who are caring and dedicated, students who are engaged in learning, and partnerships with parents who promote education as the primary importance in our community.
