## PROFILE

2016-17

8885 Old Frederick Road • Ellicott City, MD 21043 • 410-313-2848 • [pms.hcps.org/](http://pms.hcps.org/)

Since opening our doors in 1969, Patapsco Middle School has maintained a tradition of high academic standards, positive school climate, and a strong collaborative relationship among the community, staff, and students. At Patapsco, we work hard to create an atmosphere of exploration and accomplishment so that each student has the opportunity for academic success and positive character development. Students are the number one priority.

As a school community, we recognize the uniqueness of middle school-aged students and challenge them to think creatively and critically as they strive for excellence. We encourage responsible decision-making and respect for self and others. Patapsco Middle is committed to having all students meet the rigorous performance standards established by county, state, and national agencies in order to promote college and career readiness.

Recognizing the importance of a well-balanced educational program that meets the needs of all our students, our academic program features comprehensive coursework that is complemented by a large variety of enriching and supplemental opportunities both within the school day as well as beyond normal school hours. We offer a wide range of services and special programs designed specifically to meet the needs of our diverse student population.

We welcome visitors to Patapsco and encourage our community members to partner with us to ensure the success of all our students. Talented staff, involved families, and respectful students make Patapsco a great place to work and learn!
