

Patuxent Valley Middle School

PROFILE

2016-17

9151 Vollmerhausen Road • Jessup, MD 20794 • 410-880-5840 • pvms.hcps.org

Patuxent Valley Middle School, Home of the Bulldogs, has as its mission to develop an environment where students, staff, and parents work together to enhance student achievement and develop a thriving educational center within the community. Our conviction is that all students will be successful and will meet or exceed local, state and national standards; but more importantly, our students will be high-school ready by the end of eighth grade.

The middle school years are a time of very active learning about oneself, relationships with others, and the larger world. We want to ensure that our students have the right tools, knowledge, and guidance to have a healthy and joyful experience. We are committed to providing a place where teaching and learning are exciting and students are guided to handle increased responsibilities.

The staff at Patuxent Valley Middle School is proud to serve the unique academic, physical, social and emotional needs of our students. Our school offers students wonderful opportunities to learn and grow in challenging and supportive environments as they transition from childhood to adolescence. We celebrate that each student will change and develop significantly over the course of these three years.

In addition, Patuxent Valley is a participant in the Professional Development Schools Programs partnered with Towson University. Patuxent Valley serves as an institution where the latest research and instructional strategies are used to ensure exemplary teaching for student learning.

Our school began a three-year renovation in January, 2015 and will be completed in December, 2017. Our make-over will include new administration, health, and guidance suites. New student lockers, bathrooms, and classrooms will bring about changes to allow our teachers and students to engage in 21st century teaching and learning. We are excited about the changes happening within our school!

We are confident that with the support of the entire school community, coupled with our dedicated staff, great things will continue to happen at Patuxent Valley Middle School.

Rick Robb, Principal
Kim Mahle, Assistant Principal
