

Wilde Lake Middle School

PROFILE

2016-17

10481 Cross Fox Lane • Columbia, MD 21044 • 410-313-6957 • wlms.hcps.org

In January, 2017, our school community will transition into the new Wilde Lake Middle, Maryland's First Net Zero School. The school is designed as a LEED Platinum building with solar panels and a geothermal heat pump system. The goal is to produce as much energy as we use in a year. Positioned to be the most energy conscious and efficient school in the state, we are honored and ready for the awesome learning opportunities that our new facility

affords students, staff, and community. We are working intentionally as a school community to improve the "Wilde Lake Way" so that all of our students and families feel the pride in being part of a top-notch middle school in a brand new facility.

Students at Wilde Lake Middle School are challenged by rigorous academic standards and supported by a variety of programs from GT instructional seminars and world language classes to academic intervention and an after school tutoring/homework program. Our talented staff recognizes the unique needs of adolescents and is dedicated to providing learning opportunities that foster the intellectual, social, emotional and physical development of our students. To ensure a well-balanced educational experience, we provide a number of extracurricular activities including Bridges After School Program (JAWS). Drama, Future City, Jazz Band, Memory Book Club, and Underwater Robotics.

We are proud of our strong and supportive PTSA and the business partnerships that we have established. Our staff is grateful for all of the support we receive from the Columbia community. Together the WLMS community is working to ensure the success of all our students by instilling the "Wilde Lake Way" of being respectful, responsible, ready and safe. The doors of Wilde Lake Middle are always open to new learning opportunities that enhance the richness of our diverse cultural blend of students.

Anne Swartz, Principal
Alexia Couch, Assistant Principal
Denise Young, Assistant Principal
James McVey, Leadership Intern
