**HIGH SCHOOL SCHEDULING FOR ADVANCED-LEVEL
LEARNERS**

Lisa Boarman, Facilitator for the Howard County Public School System's School Counseling Program, will present an overview of high school offerings for advanced-level learners, as well as suggestions for scheduling these various options. A panel of Howard County students and educators will also highlight G/T and AP coursework at the high school level.

Plan to attend this session to find out how these advanced-level opportunities challenge students and enable them to tap into their areas of interest and talent at a deep level.

A schedule for each high school's parent orientation dates will be provided to session participants.
