

Hammond High School Commencement Directions

Friday, May 30, 2008 • 11:30 a.m.-2:00 p.m. • Merriweather Post Pavilion

Due to the compressed commencement schedule, these directions have been developed to provide smooth transitions between ceremonies. In consideration of all graduates and attendees, please adhere to the following guidelines:

- Arrive by Broken Land Parkway, no more than 45 minutes before commencement time.
- If you are running late due to traffic, you may drop off your graduate at the “graduate drop-off” on Little Patuxent Parkway.
- Handicapped Lot 1 is located close to the pavilion and accessed from Little Patuxent Parkway. To use this lot, you must have given your name to the school and be included on a parking list. Handicapped Lot 2 is an area in guest parking that shortens the walk to the pavilion for older guests.
- Leave by Broken Land Parkway, as stated in your parking instruction letter, within 20 minutes after commencement ends.
