Centennial Lane Elementary School is a learning community built upon the belief that excellence rests upon a collaborative effort of the staff, students and parents. Our parents support our school with an active PTA led by a dedicated Executive Board. The PTA responds to the various needs of students by sponsoring many extension activities such as the Cultural Arts program and After School Enrichment Program.

Our staff engages in a high level of collaboration in support of student achievement. Teachers utilize a self-directed professional development model to enhance their teaching skills.

We are proud of the recognition by the Maryland State Department of Education and the United States Department of Education as both a state and national Blue Ribbon School in 2004.

We strive to maintain excellence not only in the academic and related arts subjects, but also in character education. In 2008, CLES was one of seven schools in the nation to receive the Core Essential Award from Chick-Fil-A in character building.

In 2009, CLES was the proud recipient of both the Healthy Howard Award and the Green School Certification from the Howard County government.

With our motto of Respect, Responsibility, and Results, CLES staff and parents work hand-in-hand to build a safe and healthy environment and to educate our students to be world-class citizens.
