At Dayton Oaks Elementary School, we are "Discovering New Depths." Our students, staff, and parents embrace this theme as we work together to strive for academic excellence.

We are committed to increasing student achievement and to making our school environment a positive place to learn. Our students practice "Delightful Dolphin" behavior as they "DIVE" into learning by being Dependable, Involved, Organized, and Very Respectful, so Everyone Succeeds! The staff embraces meaningful teamwork, clear and measurable goals, and frequent monitoring of data as we strive to assist each child with reaching his/her fullest potential.

The children read throughout the day in all classes and have the opportunity to use technology as they learn new concepts. We have an active peer to peer mentor program and Safety Patrol. Our chorus, band, and orchestra provide entertainment at various events. The PTA is actively involved in partnering with school staff and hosts a recess walking program and a number of after-school activities as well as daytime performances. Families enjoy our annual ice cream social, our Harvest Moon Festival, coat/can/and book drives for the community, and a Spring Fling.
