

# Deep Run Elementary School

## PROFILE

2011-12

6925 Old Waterloo Road • Elkridge, MD 21075 • 410.313.5000 • <http://dres.hcps.org/>

Deep Run Elementary School opened its doors in 1990. Our staff and community are proud of our commitment to getting to know each of our students as individuals. At Deep Run, we provide students with an educational environment that promotes self-discipline, motivation, and excellence in learning. This emphasis helps to foster student achievement, parental support, and collegiality among staff members.

The Deep Run community includes children enrolled in our Regional Early Childhood Program (ages 3-5) and other students in grades K-5. Our instructional practices emphasize what students must know and be able to do in order to be College and Career Ready when they graduate from high school. Providing students with the necessary supports they need is at the heart of what we do at Deep Run Elementary School. By using Title I funds, specialized resources, and focus teachers, we are able to make data driven decisions to benefit all students. Our Reading and Math Support teachers assist teachers in planning and implementing instruction based on student need and in alignment with Common Core curriculum standards. Our 21st Century Bridges Grant further enables us to connect what we do at school to the very important work that parents do with their children at home.

At Deep Run, we are committed to providing a safe and nurturing environment for our children, staff and community. The Best on Blue PBIS program focuses on celebrating students' good choices and teaching children to respect themselves, others, learning and property. We appreciate our very active PTA members as well as our business and community partners, all of who work together to support the instructional program in a variety of ways. We work together as a community in partnership with families to help ensure every student's success.

Tricia McCarthy, Principal  
Julie Moraz Schrufer, Assistant Principal
