Elkridge strives for excellence in teaching and learning by providing a strong academic program, ongoing recognition of student progress, interesting extracurricular activities, community involvement, and a safe, orderly school environment.

Our strong academic program is guided by our School Improvement Team. The "Reading Partners" program provides two adults in classes during reading to provide small group instruction. A schoolwide "Wee Deliver" Post Office improves reading and writing skills while teaching responsibility. EES applies learning and memory research to make our classrooms brain-friendly. The staff uses instructional strategies that provide movement, interaction, comfort, and engagement for all students.

We celebrate students' progress. Students who are "on track to ELKcellence" for being safe, responsible, and respectful are rewarded every week with Track Star Medals.

Student needs and interests are met through Gifted and Talented programs, ESOL (English for Speakers of Other Languages), and Special Education services. Related arts programs include chorus, band, strings, art and physical education.

Along with challenging academics, we have fun. We enjoy traditions such as the annual October parade, Grandparents and Special Persons Day, Turkey Trot, Chess Club, concerts and musicals. Dress-Up Days such as Reading Character Day and Crazy Hat Day enhance school spirit. Extra sports programs during recess promote teamwork and cooperation.

Our school is linked closely to the community. We have an active PTA and parent volunteer network. Our "All Pro Dads" program provides opportunities for dads to participate with their child in school by attending Ice Cream Socials, Ravens Days, and Donut Breakfasts.
