

Talbott Springs Elementary School

PROFILE

2011-12

9550 Basket Ring Road • Columbia, MD 21045 • 410.313.6915 • <http://tses.hcps.org/>

Talbott Springs Elementary School continues to be proud of its history as a community school that values the growth and success of each child in a culturally diverse yet unified and positive school environment. We are committed to honoring this shared vision for educating children: *To provide a strong foundation comprised of academic, interpersonal, and technological skills that will enable all students to be college and career ready.*

Our school's effort to emphasize reading, mathematics and content based instruction has been a cornerstone in building our success. We believe that preparing students to build strong academic foundations in the early grades will give them the tools they need to become successful in their future learning years.

To that end, we promote a co-teaching program that utilizes paraeducators, ESOL, Title I, Gifted and Talented and Special Education teachers in pre-kindergarten through Grade 5. Classroom teachers meet weekly to discuss student progress and to amend student programs for support and acceleration. Student data is regularly monitored to ensure that the learning needs of our students are being addressed. We are committed to reaching the potential of all of our students through differentiated classroom instruction and by inclusion of students in Gifted and Talented Programs.

Talbott Springs Elementary values the contributions of our PTA, parent volunteers, community volunteers and our business partners, including Parents as Teachers. Together we continue to recognize that the support that is provided to our children is the key to promoting excellence and contributing to the long-term success of the children we service. We welcome you to visit Talbott Springs Elementary!

Nancy Thompson, Principal
Jennifer Anderson, Assistant Principal
