Lisbon Elementary is located in western Howard County. This rural area is rich in history, and there is growing diversity amongst the student body. Lisbon's Mission Statement: *Our goal is to create a safe and nurturing school community that fosters positive learning experiences for all students through our Lions' Pride.* With our priority on students and their learning, staff and parents team to support children in reaching their goals and dreams. With the recent completion of a two-year renovation project, we are pleased with the new fresh look and welcome the opportunity to share with our school community.

Our School Improvement Plan includes reading, math, and climate goals. Staff work collaboratively to monitor student progress and to provide an appropriate instructional program for each child. Members from our Gifted and Talented, Reading, and Special Education teams serve as a resource in meeting a variety of individual learner needs. In addition to our academic focus, we emphasize the importance of positive character and embed the learning of traits during our instructional day. Positive Behavior Interventions and Supports (PBIS) is an initiative that started in 2006 and continues to recognize students for their individual positive behavior as well as provide interventions to students who need additional support.

The school's PTA is extremely supportive of our school mission and goals. There are many opportunities for parents to join committees or volunteer with classroom and family fun activities. Our PTA plans fun-filled events such as as Ice Cream Social, Fall Festival, Monster Bash and snow tubing. They sponsor after-school programs such as Homework Club, Craft Pack, and Jazz Band.
