7:00 pm - 8:30 pm

### What Parents Can Do To Foster Talent in Young Children

Featured Speaker:  
Ms. Kathleen Cecil

How can parents enrich the educational experiences and foster talent in their young children at home? Join Ms. Kathleen Cecil, specialist in primary talent development, as she discusses the unique characteristics of these young learners, ages 3-7, and instructional approaches that work to develop their potential. Parents will leave this session with hands-on problem solving activities and strategies that they can use at home, as well as a list of valuable resources for further exploration.
