c. Identify by name, title, and department the person(s) responsible for ensuring compliance with Section 1111(h)(6)(A)?

d. Describe how the LSS coordinates Highly Qualified notification between Human Resources, the Title I Office, and school administration.

e. How does the LSS ensure the Highly Qualified status of teachers assigned to Title I schools is maintained?

The HCPSS’s Office of Human Resources will follow the federal guidelines under NCLB requiring the HCPSS to notify parents whose children attend Title I schools about the qualifications of their teachers. For the 2009-2010 school year this procedure will include:

- Lois Witte, Manager of Certification/Licensure and Accountability in the Office of Human Resources will ensure the following activities will take place:
  - Principals will send home the Superintendent’s letter to all families of students in Title I schools. This letter will inform parents of their “right to know” teacher qualifications within four weeks of the start of school. The letter will be translated into Spanish, Korean, Chinese, Vietnamese, and Urdu. If additional languages are needed provisions will be provided. (Refer to Appendix A for a copy of the Superintendent’s 2009-2010 letter.)
  - Prior to the start of school, the HCPSS’s Office of Human Resources will notify Title I principals and Caroline Walker, Coordinator of Academic Intervention and Title I Programs, the names of specific staff members believed not to be highly qualified. The Title I principals are Sean Martin, Principal of Bryant Woods, Cynthia Hankin, Principal of Deep Run, Genee Varlack, Principal of Guilford, Peggy Dumler, Principal of Laurel Woods, Cathy Nowack, Principal of Longfellow, Pam Akers, Principal of Phelps Luck, Troy Todd, Principal of Running Brook, Ron Morris, Principal of Stevens Forest, Molly Ketterer, Principal of Swansfield, and Nancy Thompson, Principal of Talbott Springs.
  - Principals will meet privately with specific staff members to determine if the not highly qualified identification is appropriate. For example, some teachers may have completed course work or tests during the summer break
but have not notified the Office of Human Resources of the pending change in their credentials.

- Principals will send home letters to parents of students in Title I schools not taught by highly qualified teachers within four weeks of the start of school. (Refer to Appendix B for a copy of the principal’s 2009-2010 letter.) The letters will be translated into Spanish, Korean, Chinese, Vietnamese, and Urdu. If additional languages are needed provisions will be made.

- Within four weeks of the start of school year 2009-2010, Lois Witte and Caroline Walker will meet with Title I Administrators and the Elementary Administrative Directors to discuss the processes for identifying substitutes and determining highly qualified status.

- If, during the year, students receive instruction by a not highly qualified teacher or long-term substitute in the core academic content areas, principals will send home letters to the parents of these students.

- Quarterly, Suzanne Zilber, Manager of Classified and Temporary Services, Lasheda Young, Specialist, Teacher Certification, and Shannon Baxley, Title I Technical Assistant, will review the substitute reports to ensure all long-term (more than four weeks) substitutes are highly qualified.

- Throughout the year, other activities will occur, as needed:
  - After receiving the principal’s letter, parents who call the school to discuss the not highly qualified identification of their child’s teacher will be invited to the school for a principal/parent conference.
  - The Howard County Public School System, Office of Human Resources, will communicate with appropriate central office staff, Title I school principals, and teachers who are not highly qualified throughout the year.
  - The Office of Human Resources will continue to notify schools that Maryland’s High, Objective, Uniform State Standard of Evaluation (HOUSSE) is available on the MSDE web site and in print format in the HCPSS Certification Office. This guide provides teachers with methods to achieve “highly qualified” status using one of several options under NCLB.
  - HCPSS’s Office of Human Resources will continue to make numerous presentations on NCLB requirements to a variety of audiences, which include school faculty meeting attendees, small groups of teachers, team meeting attendees, central office personnel, countywide special education team leaders, individual teachers, and school administrators.

- The Highly Qualified status of teachers is ensured by:
  - The regular review of certification/highly qualified status of teachers of record.
  - Teacher candidates are reviewed to ensure highly qualified status.
  - Administrators will consider certification/highly qualified status as part of the transfer process.

**DOCUMENTATION:** Include sample copies of English and translated letters that will be used to accomplish item a and item b for school year 2009-2010. If the LSS has schools IN THE COMPREHENSIVE NEEDS OR THE DEVELOPING NEEDS PATHWAYS funded by Title I ARRA, please include documentation for those schools with this application.
2. Are all paraprofessionals in Title I schoolwide schools qualified?  
   _______ Yes   _______ No   X  Not Applicable

3. Are all paraprofessionals paid with Title I funds in targeted assistance schools qualified?  
   X  Yes   _______ No   _______ Not Applicable

C. SCHOOLWIDE PROGRAMS:
   If the LSS does not have any Title I Schoolwide programs, proceed to Section D - Targeted Assistance.

1. For LSSs with Title I schoolwide programs, DESCRIBE the steps taken to help the Title I schools make effective use of schoolwide programs by addressing each lettered item separately.  Reg. 200.25-28 and Sec. 1114
   
   a. Describe how the system will assist schools consolidate funds for schoolwide programs. If the system is not consolidating funds, describe how the system coordinates financial resources to develop schoolwide programs.
   
   b. Describe the process to ensure that the 10 Components of a Schoolwide Program are part of the development, peer review, implementation, and monitoring of Schoolwide/School Improvement Plans.
   
   c. If any of the 10 Components are not adequately addressed, what steps does the LSS take to ensure that revisions to schoolwide plans occur in a timely manner?
   
   d. Describe specific steps to be taken by the LSS to review and analyze the effectiveness of schoolwide programs.
   
   e. Describe how the system and/or schools provide extended learning time, such as an extended school year, before- and after-school, and summer program opportunities.
   
   f. In addition to the Title I Coordinator, identify other central office staff by name, title, and department responsible for monitoring the 10 components in schoolwide plans, the effectiveness of schoolwide program implementation, fiduciary issues, and program effectiveness.

For the 2009-2010 school year, the HCPSS will not provide any Title I schoolwide programs.

D. TARGETED ASSISTANCE SCHOOLS:
   If the LSS does not have any Title I Targeted Assistance programs, proceed to Section E - Parent Involvement.

1. DESCRIBE the step-by-step process including timelines/dates used to identify eligible children most in need of services. Include in the description how students are ranked using multiple selection (academic) criteria. (NOTE: Children from
preschool through grade 2 must be selected solely on the basis of such criteria as
teacher judgment, parent interviews, and developmentally appropriate measures.)
Section 1115(b)(1)(B)

Students were ranked over the summer based on data from the previous school year. Over the
summer, schools were provided with the data to identify the eligible children (grades 1-5) most
in need of services, so they can get started as soon as possible. In October/November, teachers
will prepare data for kindergarten students and the Title I, Assessment, and Technology Offices
will provide the schools with the ranked data by the end of the fall semester. The students in
grades 1-5 will be re-ranked by the start of the spring semester.

Students were ranked over the summer based on data from the previous school year. The Title I
staff worked in conjunction with the Assessment Office, the Title I school administrators, Title I
teachers, and the elementary curriculum coordinators to determine appropriate criteria.

Rising kindergarten and pre-K students are ranked in reading and mathematics based on the
following measures:
- Reading local assessments
- Reading benchmarks (when appropriate)
- Reading developmental levels (when appropriate)
- Mathematics local assessments
- Teacher judgment in reading and mathematics.

Rising first and second grade students are ranked in reading and mathematics based on the
following measures:
- On, Above, and Below grade level teacher judgment data in both reading
  and mathematics
- Reading benchmarks
- Reading developmental levels
- Mathematics local assessments.

Rising third grade students are ranked in reading and mathematics based on the following
measures:
- On, Above, and Below grade level and teacher judgment data in both reading and
  mathematics
- Reading benchmarks
- Mathematics local assessments
- Stanford 10 scores in reading and mathematics.

Rising fourth and fifth grade students are ranked in reading and mathematics based on the
following measures:
- On, Above, and Below grade level data in both reading and mathematics
- Reading and mathematics local assessments
- Maryland State Assessment (MSA) scores in reading and mathematics.

As students transfer into Title I schools, they may be added to the ranking. Between September
and November, students will be ranked in schools planning to serve kindergarten students.
Students will additionally be re-ranked prior to the spring semester. This data will form a list of
students that will receive academic interventions in reading and mathematics. After receiving the
ranking, the Title I schools will engage in data conversations to establish groups based on the needs of students. The schools will flexibly group, progress monitor, and make changes to groups as needed. They will use the ranking to schedule interventions and inform families of the students’ participation in Title I.

2. **DESCRIBE** how the school system helps targeted assistance schools identify, implement, and monitor effective methods and **supplemental** instructional strategies for **small groups of identified students.** (In Maryland, small group constitutes no more than 8 students to one teacher.) These strategies must be based on best practices and scientific research to strengthen the core academic program of the school. Describe how the system/school will address the following: Section 1115(c)(1)(C).

   a. Giving primary consideration to providing extended learning time, such as an extended school year, before-and after-school, and summer program opportunities.

Extended learning time is coordinated by the Title I participating schools. Title I school administrators work with Title I teachers to maximize extended learning time. Title I administrators include Sean Martin, Principal of Bryant Woods, Winnie Dreier, Assistant Principal of Bryant Woods, Cynthia Hankin, Principal of Deep Run, Julie Moraz, Assistant Principal of Deep Run, Genee Varlack, Principal of Guilford, Connie Stahler, Assistant Principal of Guilford, Peggy Dumler, Principal of Laurel Woods, Amanda Wadsworth, Assistant Principal of Laurel Woods, Cathy Nowack, Principal of Longfellow, Laurel Marsh, Assistant Principal of Longfellow, Pam Akers, Principal of Phelps Luck, Michelle Leader, Assistant Principal of Phelps Luck, Troy Todd, Principal of Running Brook, Kevin Mulroe, Assistant Principal of Running Brook, Ron Morris, Principal of Stevens Forest, Sharon Lewandowski, Assistant Principal of Stevens Forest, Molly Ketterer, Principal of Swansfield, Lisa Ciarpica, Assistant Principal of Swansfield, Nancy Thompson, Principal of Talbott Springs, and Michael Caldwell, Assistant Principal of Talbott Springs. Title I teachers frequently provide extended support to individual students in addition to providing instruction to their scheduled groups. While students are preparing to end the day, some teachers continue to work with the students assigned to them for supplemental services. Title I teachers have received training through the Title I Office in Knowing the Learner. These extensions in support services facilitate excellence in teaching and learning. For the 2009-2010 school year, all Title I schools will have tutoring in mathematics provided by the Howard County Public School System for below grade level students. The mathematics tutoring will be supervised by the mathematics support teachers at each school and centrally by Kay Sammons, Coordinator of Elementary Mathematics. All Title I teachers will have additional reading and/or math tutoring funded by Title I. In conjunction with the Title I Coordinator, this tutoring will be supervised by Fran Clay, Coordinator of Elementary Reading. All tutors will be highly qualified Howard County teachers who work with below grade level students to accelerate their reading and mathematics skills. Nine of the Title I schools (Bryant Woods, Deep Run, Guilford, Laurel Woods, Phelps Luck, Running Brook, Stevens Forest, Swansfield, and Talbott Springs) are also 21st Century Community Learning Centers. These programs are supervised by Marty Cifrese, BRIDGES Program Manager. In addition to the LSS Title I Coordinator, Amy Tieperman, Title I Teacher, will be responsible for monitoring the parent involvement activities of the Title I schools. Students in all ten participating Title I schools who are performing below grade level in reading and/or mathematics are invited to attend the extended year Academic Intervention Summer Program. The Academic Intervention Summer Program is organized by the Office of Academic Intervention and Title I Programs lead
by Caroline Walker, Coordinator of Academic Intervention and Title I Programs and Debra Jackson, Manager of Extended School Day, Week, and Year Programs. This program provides 19 half-days of accelerated instruction in reading and mathematics. Transportation is provided for all participants at no charge to the families. Parents are invited to a program orientation, and receive newsletters and progress reports from the teachers during the four weeks of the program. They are notified if the child is absent on any day that the program is in session. Assessments are given to monitor student progress. Because of the Howard County Public School System’s emphasis on continuous improvement, the extended-year Academic Intervention Summer Program increases opportunities for accelerated learning and the elimination of achievement gaps. For Academic Intervention Summer School 2010, Title I will fund additional teachers and materials at the ten participating Title I schools for identified targeted assistance students. The Title I funded teachers will be teaching students identified as targeted assistance students only.

b. Helping provide an accelerated, high-quality curriculum, including applied learning.

Under the direction of Marie DeAngelis, Director of Elementary Curricular Programs, and Clarissa Evans, Executive Director of Secondary Curricular Programs, the Howard County Public School System has developed essential curriculum for all content areas. Curriculum writers, Howard County teachers and central office personnel, develop curricula with corresponding assessments. The school system has established a schedule for updating the curriculum in each content area. All guides are online (eguides) and materials are accessible on the Document Repository (DR). It is the school system’s belief that this process will enable classroom teachers to gain access to revised curricula in a more efficient manner and print only those portions of the guide that are needed.

c. Minimizing the removal of children from regular classroom instruction for additional services.

All Title I interventions are designed to occur within the team area. It has been the position of the HCPSS’s Title I Program to provide the supplemental services within the regular classroom area for the following reasons:

- Valuable instructional time is lost when students walk from their classroom to another location in the building.
- Low-performing students need fewer, not additional, interruptions to their classroom routine.
- For the classroom teacher to recognize improvement, he or she must see a student’s accelerated progress within the classroom setting.
- By providing the supplemental service within the team area, flexible grouping is more likely to occur.
- When a highly qualified classroom teacher and a highly qualified Title I teacher work together to provide accelerated instruction for low-performing students, opportunities for success increase.
- When the Title I teacher works with low-performing students in close proximity to the classroom, the reading and mathematics support teachers are available to observe the lesson and provide support.
- Classroom teachers and Title I teachers have opportunities to develop a collaborative mentoring relationship when they work in close proximity.
For the above reasons, it is the position of the Howard County Title I Office that, whenever possible, interventions will occur within physical proximity of the classroom and in the presence of the classroom teacher. Title I school administrators support Title I teachers in locating appropriate intervention sites. During the 2009-2010 school year, Title I teachers will keep records of their collaboration with the regular education teachers.

4. Describe how the system/school provides additional opportunities for professional development with Title I resources, and, to the extent practicable, from other sources, for teachers, principals, and paraprofessionals, including, if appropriate other staff.

Elementary language arts and mathematics coordinators, resource teachers, and support teachers recommend purchasing only those instructional materials that meet scientifically based research criteria. Embedded staff development is provided throughout the year for all teachers and paraprofessionals in Title I schools with reading and mathematics support teachers on site. School administrators hold regular schoolwide professional development meetings. There are also two countywide professional development inservice meetings for teachers, the first is in September and the second is in April. Differentiation of instruction for a diversified student population is provided; each student receives a rigorous instructional program to meet his or her abilities and interests. School administrators will have regular professional development from the Administrative Directors. Title I administrators will also meet together regularly to explore the possibility of improving Title I Programs. Reading and mathematics support teachers will be invited to regular Title I meetings. Title I teachers receive monthly professional development from the Title I Office on Title I law, conducting interventions, and working with families. Administrators at Title I schools also receive regular updates from the Title I Office throughout the school year to ensure compliance with Federal regulations. This professional development takes place throughout the year in groups, one-on-one visits, and other site visits. Through courageous conversations designed to enable all staff and school communities to become culturally proficient, Howard County expects to reach its goals and targets. Excellence in teaching and learning will become a reality for each student. HCPSS’s goals are:

**Goal 1:** Each child, regardless of race, ethnicity, gender, disability, or, socioeconomic status, will meet the rigorous performance standards that have been established. All diploma-bound students will perform on or above grade level in all measured content areas.

**Goal 2:** Each school will provide a safe and nurturing school environment that our values diversity and commonality.

5. Describe the process for developing (with peer review), implementing, and monitoring targeted assistance requirements in targeted assistance school improvement plans.

Each of the Howard County schools was invited to the 2009 Summer Institute. During this two-day event at the end of June, school administrators and key staff members met to work on the 2009-2010 School Improvement Plans. Work will continue throughout the summer and early September. Title I School administrators will work with the School Improvement Team and be ready to share the plans with the Title I Coordinator, Caroline Walker, during mid-September. The Title I Coordinator will evaluate the plans to be sure they address the components of a Targeted Assistance School:
Using effective instructional methods and strategies that strengthen the core academic program of the school (Section 1115(c)(1) (C))
Giving primary consideration to providing extended learning time for students served (Section 1115(c) (C)(i))
Providing an accelerated high quality curriculum (Section 1115(c) (1)(C)(ii))
Minimizing the removal of children from regular classroom during regular school hours (Section 1115(c) (C)(iii))
Ensuring that targeted assistance program planning coordinates with and supports the regular education program in schools (Section 1115(c)(1) (D))
Promoting the integration of staff supported with targeted assistance funds into the regular school program, including professional development (Section 1115(c)(2) (B)(d)(1))
Selecting eligible students (Section 1115(b) (1)(B)(2)(A-E))

The plans will also be monitored for alignment with parent involvement policies.

Prior to the end of September, School Improvement Plans will be submitted to the Elementary Administrative Directors. The School Support Team (SST) will review all plans and selected schools identified for targeted support will receive feedback. Four members of the SST (Diane Martin, Director of Student, Family, and Community Services, Marie DeAngelis, Director of Elementary Curriculum and Instruction, Marion Miller, Director of Elementary School Administration, and Arlene Harrison, Director of Elementary School Administration) have received additional training on the required components of the Target Assistance Schools. In October, the SST will provide feedback on the selected School Improvement Plans. Schools will participate in a peer review process. Additionally, School Improvement Teams meet throughout the year and during these meetings the School Improvement Plans may be modified.

6. Describe the specific steps to be taken to review and analyze the effectiveness of the targeted assistance programs.

During the 2009-2010 school year, the Title I Targeted Assistance Program will be reviewed and analyzed in the following ways:
- At each school, the Title I teachers will collect the following types of documentation:
  - Eligibility and progress monitoring documentation
  - Schoolwide ranking by multiple selection criteria
  - Teachers’ schedules with groups of students being served
  - Master lists of Title I students
  - Documentation of professional development events funded by Title I that directly support the needs of targeted students
  - Professional Development activities for Title I teachers that directly and specifically address student academic needs
  - Documentation of collaboration with regular education.
- The Title I Office staff will regularly review the documentation the Title I teachers are collecting.
- Administrators of the Title I schools will regularly observe and monitor the Title I programs at their schools.
- The Title I Office staff will informally and formally observe the Title I teachers a minimum of two times per semester.
- Each Title I school will have data discussions to monitor student progress.
• The Title I Office staff will work with Title I teachers at regular Title I meetings and at school level meetings to assess student progress.

7. In addition to the LSS Title I coordinator, identify by name, title, and department the person(s) responsible for monitoring the required components in targeted assistance plans, the effectiveness of the targeted assistance programs, and fiduciary issues.

In the Department of Student, Family, and Community Services, in addition to the LSS Title I Coordinator, Caroline Walker, the Title I Support Teacher, Amy Tieperman, will be responsible for monitoring the activities of the Title I schools. Diane Martin, Director of Student, Family, and Community Services and Clarissa Evans, Executive Director of Secondary Curricular Programs will provide support and monitoring for the Title I Office. Title I administrators Sean Martin, Principal of Bryant Woods, Winnie Dreier, Assistant Principal of Bryant Woods, Cynthia Hankin, Principal of Deep Run, Julie Moraz, Assistant Principal of Deep Run, Genee Varlack, Principal of Guilford, Connie Stahler, Assistant Principal of Guilford, Peggy Dumler, Principal of Laurel Woods, Amanda Wadsworth, Assistant Principal of Laurel Woods, Cathy Nowack, Principal of Longfellow, Laurel Marsh, Assistant Principal of Longfellow, Pam Akers, Principal of Phelps Luck, Michelle Leader, Assistant Principal of Phelps Luck, Troy Todd, Principal of Running Brook, Kevin Mulrooe, Assistant Principal of Running Brook, Ron Morris, Principal of Stevens Forest, Sharon Lewandowski, Assistant Principal of Stevens Forest, Molly Ketterer, Principal of Swansfield, Lisa Ciarapica, Assistant Principal of Swansfield, Nancy Thompson, Principal of Talbott Springs, and Michael Caldwell, Assistant Principal of Talbott Springs are responsible for monitoring their individual school plans. The Administrative Directors and Director of Elementary Curricular Programs, Marie DeAngelis, Director of Elementary Curriculum and Instruction, Marion Miller, Director of Elementary School Administration, and Arlene Harrison, Director of Elementary School Administration, will provide additional support and supervision to the schools and their administrative staff members. The Title I Coordinator and Title I Technical Assistant, Shannon Baxley, support the schools with fiduciary compliance. Terry Brukiewa, Senior Accountant in Accounting Services, supports the Title I Office in meeting fiscal requirements. He is supervised by the Director of Finance, Beverly Davis.

8. **DOCUMENTATION:** Attach weighted criteria used to select and rank children for targeted assistance services, the timeline for selecting students and implementing the targeted assistance program.

Refer to Appendix C for a copy of the criteria used to select and rank children for Targeted Assistance Services.

9. Identify the school(s) by name and assigned MSDE ID number that are implementing a targeted assistance program in 2009-2010 and are planning to become Schoolwide programs for the 2010-2011 school year?

Conditioned on achievement of the 40% poverty threshold based on the September 30, 2009 enrollment and October 31, 2009 Free and Reduced Meals (FARMS) data, Stevens Forest (0608) and Laurel Woods (0618) will begin the process to conversion for the following school year.

**E. PARENT INVOLVEMENT:**
To encourage parent involvement, school systems and schools need to communicate frequently, clearly, and meaningfully with families, and ask for parents’ input in decisions that affect their children. [Section 1118(a)(2)] Parent involvement strategies should be woven throughout each system’s Master Plan.

1. **Local School System** Parent Involvement Policy Review

   a. Date of current LSS Parent Involvement Policy adoption/Revision: 
      **January 23, 2007**

   b. Does the current LSS Parent Involvement Policy meet the requirements? 
      Yes **If “yes” when did the policy meet requirements?** 
      Date: **September 29, 2009**

   c. If the current Parent Involvement Policy does not meet the requirements, when does the LSS expect the requirements to be met? 
      _____________________

      We are in process of working with MSDE to determine if our draft District Plan meets the requirements.

   d. Describe how parents from Title I schools were involved in the annual review of the LSS Parent Involvement Policy.

      Parents are surveyed for feedback at the Annual Meetings at the Title I schools. If feedback requires changes, the Board of Education will receive the feedback and review the policy. Title I schools conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving academic quality of the schools served under Title I during the Annual Meetings at each of the schools. The Howard County Public School System Title I Parent, Family, and Community Involvement Plan explains how the Title I Office works with the parents and families of Title I students to assist them in accelerating their children’s academic achievement. This document is in alignment with the Howard County Public School System Policy 10000, Parent, Family, and Community Involvement, the Bridge to Excellence Master Plan and the has been developed through ongoing collaboration with the parents and families of Title I students. The Title I Office staff will involve parents in the development and evaluation of the HCPSS Title I Parent, Family, and Community Involvement Plan by meeting with parents at least annually of Title I students at each of the Title I schools for feedback on the Plan’s content and effectiveness. The Title I Office staff works with the schools to ensure that parents participate in an annual survey to gain input on the content and effectiveness of the plan (either in person, by phone, or in a written format) on the Title I Plan.

   e. How does the LSS ensure that each Title I school is informed about the existence of the system-level Parent Involvement Policy?

      All Howard County Public School System schools have adopted the system-wide policy and Title I plan. The policy is available on the County website and in the schools. The Title I Office shares the policy yearly with Title I School Administrators and teachers electronically and during professional development. The policy is also shared with all parents of Title I students.
2. **DOCUMENTATION:** Attach a copy of the school system’s most current distributed Parent Involvement Policy. Discuss and explain any changes that have been made since the last Master Plan submission.

The Howard County Public School System policy and implementation procedures can be found in Attachment D.

3. **School Level** Parent Involvement Policy and Plan Review

   a. How does the LSS ensure that all Title I schools have a school level parent involvement policy/plan that meets the requirements?

   b. How are Title I parents involved in the joint development, implementation, and annual review of the school level parent involvement plans?

   c. How does the LSS verify that Title I parents are involved in the development of the parent involvement plans?

All Howard County Public School System schools have adopted the system-wide policy. The policy is available on the County website and in the schools. The policy is shared with all parents of Title I students. The Title I Office Parent Involvement Plan provides support and additional information to support the Policy. The Title I Office conducts a yearly review of the revised school level parent involvement plans and at-a-glance documents to ensure all requirements are met.

Parents are surveyed for feedback at the Annual Meetings at the Title I schools. If feedback requires changes, the Board will receive the feedback and review the policy. Title I schools conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parental involvement policy in improving academic quality of the schools served under Title I during the Annual Meetings at each of the schools.

School improvement is discussed as part of the school improvement process at the school level. Parents and community members are contributing School Improvement Team (SIT) members at their respective schools. All Title I schools invite parents of low performing students to participate on their SIT. It is in this forum that parents are involved in the joint development of the Title I program activities. Within each school’s School Improvement Plan, parental involvement is identified as a high-leverage strategy for student success.

All Title I schools have Parent/Community Involvement Committees as part of the National Network of Partnership Schools, Johns Hopkins University. These committees actively recruit parents of Title I students to participate on the committee. These committees design the family programming and Parent Involvement Plans based on the feedback parents provide at each activity or program they attend. On the feedback forms, suggestions for improving current activities and ideas for future programs are solicited. Additionally, all Title I schools will either hold focus groups and/or call and survey parents to determine areas of interest. Title I eliminates barriers to participation by providing transportation, interpreters, refreshments, and extended education programs for children while their parents participate in a program. Title I schools involve parents in the activities of the schools by recruiting parents of Title I students to attend events in the school.
4. School/Parent Compact

a. How does the LSS ensure that each Title I school has a School/Parent Compact that meets statutory requirements?

All Title I schools have adopted school-level Home/School Compacts. Schools have begun to review the Home/School Compacts. They will continue this review until October. The Title I Coordinator and Support Teachers will review each Title I school’s 2009-2010 school-level Home/School Compact. This Compact will be shared with all Title I families after the review.

b. How were Title I parents involved in the joint development and implementation of the School/Parent Compact?

All of the Title I schools have Parent/Community Involvement Committees. These committees actively recruit parents of Title I students to participate on the committee. These committees meet to review and modify the prior year’s compact. Additionally, all Title I schools will hold focus groups, speak to parents at school events such as back-to-school night and the Title I Annual meeting, and/or call and survey parents to determine what they would like to see in a home/school compact. The compacts will be distributed during Annual Meetings, conferences and other opportunities to engage with parents. The Title I schools conduct, with the involvement of parents, an annual evaluation of the content and effectiveness of the parent/school compact in improving academic quality of the schools served.

5. Monitoring Parent Involvement

a. Describe the LSS process for monitoring parent involvement requirements in Title I schools.

During the 2009-2010 school year, the HCPSS parent involvement requirements in Title I schools will be reviewed and analyzed in the following ways:

- At each school, the Title I teachers will collect the following types of documentation:
  - The school’s Parent Involvement Plan
    - Evidence of parent input into the plan
    - Evidence the edited plan has been distributed
    - Evaluation/feedback/surveys/focus group notes from parents on the content of the plan
    - Evidence of interpretation/translation where applicable.
  - Evidence of the distribution of the HCPSS’s Parent Involvement Policy and feedback from parents
  - The school’s compact
    - Evidence of parent input into the revision of the compact
    - Evidence the edited compact has been distributed
    - Signed compacts
    - Evaluation/feedback/surveys/focus group notes from parents on the content of the compact
    - Evidence of interpretation/translation where applicable.
  - Evidence of the Title I Annual Meetings
• Evidence of Parent Workshops
• Evidence of school staff professional development on parent engagement
• Evidence of coordination of parent involvement programs with other programs.

The Title I Office staff will regularly review the documentation the Title I teachers are collecting.
• Administrators of the Title I schools will regularly observe and monitor the Title I family involvement activities at their schools.
• The Title I Office staff will informally and formally observe the Title I family programs.
• Each Title I school will use parent feedback to adjust the Parent Involvement Plan and programs.
• The Title I Office staff will work with Title I teachers at regular Title I meetings and at school level meetings to assess the family involvement activities.

b. In addition to the LSS Title I coordinator, identify by name, title, and department the person(s) responsible for monitoring parent involvement.

In addition to the LSS Title I Coordinator, Amy Tieperman, the Title I Support Teacher, will be responsible for monitoring the parent involvement activities of the Title I schools.

6. Distribution of Parent Involvement Funds

a. Describe how the LSS distributes 95% of the 1% reservation to its Title I schools for family involvement activities.

b. Does the LSS reserve more than 1% of its total allocation for parent involvement?  __X__ Yes _____ No

c. If yes, how are these funds used?

d. How does the LSS verify that Title I parents have input in the use of funds at the system level?

The Title I Office divides a small amount more than the 1% required reservation equally among each of the ten Title I schools. The HCPSS has chosen to reserve slightly more than 1%. The school administrators, the Title I teachers, and the families of Title I students budget the 1/10th of the 1% based on their schoolwide Parent Involvement Plan. The additional funds over the reservation are applied in the same fashion. The Title I Coordinator assesses the budget submitted and works with the Title I school if any changes are needed.

F. EQUITABLE SERVICES TO STUDENTS IN PRIVATE SCHOOLS
[SECTION 1120]:

1. Participating private schools and services: COMPLETE INFORMATION IN ATTACHMENT 6 A regarding the names of participating private schools and the number of private school students that will benefit from the Title I-A services. Refer
to the *Title I Services to Eligible Private School Children Non-Regulatory Guidance, October 17, 2003.*

2. **DESCRIBE** the school system's process of ongoing consultation to provide equitable participation to students in private schools.

In December of each year, all Howard County private schools (approved and church-exempt) are invited (via a certified letter) to participate in the HCPSS Federal Education Program Annual Consultation meeting. Information packets are mailed to all private schools. At this meeting, HCPSS federal program managers explain the ESEA program that they manage, present options and opportunities, answer questions, and invite private schools to collaborate and participate. At the conclusion of this first meeting, private schools are asked to take the packet that is distributed, study and review the materials, and consider their school’s needs and programs for the following school year.

At the meeting, the Title I staff shares the names of participating Title I schools and general information about Title I. Poverty data collection procedures are agreed upon. Free or reduced meal information will be used for the 2009-2010 school year. Written affirmation from private school officials takes place during this meeting, confirming that timely initial consultation has occurred.

Copies of documentation and sign-in sheets for nonpublic school consultation meetings are available in hard copy at the Howard County Department of Education Building, 10910 Route 108, Ellicott City, MD, 21042.

After the initial consultation, the private school officials complete a letter of intent indicating that they have eligible low-income students and that they are interested in receiving Title I services for the eligible low-performing students. Private schools must submit this information to the Title I Office by the end of January.

The Title I Office requests that the private schools that have indicated intent to participate submit the addresses of potentially qualifying students receiving free or reduced meals at their schools. This information must be received by the Title I Office by the last week of February. Upon receipt of this information, the Title I Office confirms the addresses of private school students from low-income families against Title I participating public school attendance areas. The Title I Office sends a verified list to the private schools confirming the students eligible for funding. In March, the Title I Office staff meets with the private schools that have eligible low-income students in kindergarten through 5th grade. During this meeting, a consultation calendar is established. The following topics are discussed: poverty data, amount of estimated instructional funds generated and if funds will be pooled, and the multiple educationally related criteria used to select eligible students. Academically low performing students must reside in the Title I attendance areas. At this time, the Title I Office obtains written affirmation from private school officials or their representatives that timely and meaningful consultation has occurred.

In April, the Title I Office sends an email to the private school officials requesting names, addresses, and grades of private school students who meet the multiple educationally related criteria. Upon receipt of this information, the Title I Office matches addresses of private school Title I eligible students to participating Title I public school attendance areas. The Title I Office sends a verified list of students who will be eligible to receive services during the following school year back to the private school.
In May, the Title I Office holds consultation meetings about the Title I program for the upcoming year. At that time, Title I services are selected for those eligible students most at-risk. The Title I staff will discuss with private school officials the needs of selected students, Title I services to serve those needs, and location of services. The Title I staff designs services that meet students’ needs based on consultation, using the estimated amount of funds generated by the private school students, and the equitable share of funds reserved for district-wide instructional activities.

The Title I Office staff determines, in consultation with private school officials, the standards and annual assessments for measuring progress of the Title I program. They include:

- How to define annual progress and criteria for making program modifications when annual progress is not achieved
- When we will regularly consult with private school officials/teachers about the progress that Title I private school students are making in their regular classroom
- How we will assess the achievement of the current year’s program using the standards agreed upon in the previous year (if the school has participated in Title I in the previous year)
- How, after consultation, if annual progress has not been met, the Title I Office will ensure modifications are made to the Title I program for the next school year.

The Title I Office, in consultation with the private school, determines the professional development and parent involvement needs of private school teachers and families of eligible students. The Howard County Public School System’s procedures for private school concerns will be shared with the private school officials. At the close of this meeting, we will obtain written affirmation from private school officials or their representatives that timely meaningful consultation has occurred.

Based on consultation, the Title I Office shares with the private school officials in a written format: the program design, service delivery model, number of Title I students, allocation, location of services, and estimated costs. Private school officials are provided an opportunity to comment. If there are changes, the Title I staff will update private school officials in a timely fashion.

The Title I Office orders all materials and hires highly qualified teachers so services may begin in September. Title I funds cannot be paid directly to any private school. Consultation will be completed for the upcoming school year prior to Howard County Public School System submitting “Attachment 7” as part of the BTE Master Plan Update.

In August, prior to the start of the school year, the Title I Office reports to the private schools on the readiness of the Title I program for private school students. All teachers hired by the HCPSS to provide Title I services to private school students must meet the highly qualified standard in ESEA. Any private school teacher hired to provide Title I services to private school students is under direct supervision of the LEA with respect to all Title I activities. All Title I programs are regularly monitored, by observation and data evaluation.

In September, the HCPSS begins Title I services for identified students and provides private school officials with the names of students previously identified, services provided, and names of the Title I teachers. An educational plan is created for each student after reviewing student needs.
The private school may provide a list of newly-enrolled students who meet the eligibility criteria. The Title I staff consults with private school officials on how new students might be included in the program. Title I, in conjunction with the private school, establishes goals and objectives based on assessments of newly identified students. An educational plan is created for each eligible new student.

During each quarter when services are administered (November, February, April, and June), the Title I Office will consult with private school officials and teachers about the progress that Title I private school students are making in their regular classroom. During these consultations, the educational plan created for each student is reviewed and progress is documented. At these meetings, the Title I Office and the private school assess the achievement of each participating Title I student using the standards agreed upon during the previous year. One time per quarter, the Title I Office observes the delivery of Title I services to private school children. The Title I Office documents each visit to review the program.

- The school is receiving compensatory funds from other state and local sources that are spent in accordance with the requirements of Sections 1114 and 1115. (Services must be Title I-like.)

Title I, Part A
GENERAL ASSURANCES

By receiving funds under this grant award, I hereby agree, as grantee, to comply with the following terms and conditions:

1. Programs and projects funded in total or in part through this grant will operate in compliance with State and federal statutes and regulations, including but not limited to the 1964 Civil Rights Act and amendments, the Code of Federal Regulations (CFR) 34, the Elementary and Secondary Education Act, Education Department General Administrative Regulations (EDGAR), the General Education Provisions Act (GEPA) and the Americans with Disabilities Act.

2. The Maryland State Department of Education (MSDE) may, as it deems necessary, supervise, evaluate and provide guidance and direction to grantee in the conduct of activities performed under this grant. However, failures of MSDE to supervise, evaluate, or provide guidance and direction shall not relieve grantee of any liability for failure to comply with the terms of the grant award.

3. Grantee shall establish and maintain fiscal control and fund accounting procedures, as set forth in 34 CFR Parts 76 & 80 and in applicable statute and regulation.

4. Grantee shall adhere to MSDE reporting requirements, including the submission of all required reports. Failure to submit complete, accurate, and timely progress and final reports may result in the withholding of subsequent grant payments until such time as the reports are filed.

5. Entities receiving federal funds of $500,000 or more must have an annual financial and compliance audit in accordance with OMB Circular A-133.

6. Grantee shall retain all records of its financial transactions and accounts relating to this grant for a period of three years, or longer if required by federal regulation, after termination of the grant agreement. Such records shall be made available for inspection and audit by authorized representatives of MSDE.

7. Grantee must receive prior written approval from the MSDE Program Monitor before implementing any programmatic changes with respect to the purposes for which the grant was awarded.

8. Grantee must receive prior written approval from the MSDE Program Monitor for any Budgetary realignment of $1,000 or 15% of total object, program or category of expenditure, whichever is greater. Grantee must support the request with reason for the requested change. Budget realignments must be submitted at least 45 days prior to the end of the grant period.

9. Requests for grant extensions, when allowed, must be submitted at least 45 days prior to the end of the grant period.

10. Grantee shall repay any funds that have been finally determined through the federal or State audit resolution process to have been misspent, misapplied, or otherwise not properly accounted for, and further agrees to pay any collection fees that may subsequently be imposed by the federal and/or State government.

11. If the grantee fails to fulfill its obligations under the grant agreement properly and on time, or otherwise violates any provision of the grant, including maintaining proper documentation and records as required by pertinent federal and State statute and regulations, MSDE may suspend or terminate the grant by written notice to the grantee. The notice shall specify those acts or omissions relied upon as cause for suspension or termination. Grantee shall repay MSDE for any funds that have been determined through audit to have been misspent, unspent, misapplied, or otherwise not properly accounted for. The repayment may be made by an offset to funds that are otherwise due the grantee.

I further certify that all of the facts, figures and representations made with respect to the grant application and grant award, including exhibits and attachments, are true and correct to the best of my knowledge, information, and belief.

A local school system must use the same measure of poverty for:
1. Identifying eligible Title I schools;
2. Determining the ranking of each school;
3. Determining the Title I allocation for each school.

PUBLIC SCHOOLS: The data source(s) listed below can be used to determine eligible Title I schools. The data source(s) must be applied uniformly to all schools across the school system. A child who might be included in more than one data source may be counted only once in arriving at a total count.

The data source(s) must be maintained in the applicant’s Title I records for a period of three years after the end of the grant period and/or 3 years after the resolution of an audit – if there was one. Public School Systems must use one.

A local school system shall have the final authority to calculate the number of children who are from low-income families and attend private schools. According to Title I Guidance B-4, if available, the LSS should use the same measure of poverty used to count public school children, e.g., free and reduced price lunch data. CHECK (all that apply) the data source(s) listed below that the school system is using to identify private school participants: (Reg.Sec. 200.78) More than one may be checked.

Section 1113 of Title I contains the requirements for identifying and selecting eligible schools that will participate in Title I - A. The following points summarize these requirements:

1. The school system must first rank all of its schools by poverty based on the percentage of low-income children.

2. After schools have been ranked by poverty, the school system must serve in rank order of poverty, schools above 75% poverty, including middle and high schools.

3. Only after the school system has served all schools above 75% poverty, may lower-ranked schools be served. The school system has the option to (a) continue on with the district-wide ranking or (b) rank remaining schools by grade span groupings.

4. If the school system has no schools above 75% poverty, the system may rank district-wide or by grade span groupings. For ranking by grade span groupings, the school system may use (a) the district-wide grade span poverty average noted in Table 7-4, or (b) the district-wide grade span poverty average for the respective grade span groupings.

CHECK the appropriate box below to indicate which method the school system is using to qualify attendance areas. The school system must qualify Title I schools by using percentages or other listed eligible methods.

NOTE REGARDING GRADE-SPAN GROUPING: The same rule must be used for all groups if grade-span grouping is selected. If there are three grade-span groups, the school system must use the 35% rule for all three or the district-wide average for all three. The district may not have three groups with one group using the 35% rule and one group using the district-wide average. Schools above 75% poverty must be served before lower ranked schools.
### TABLE 7-3 DISTRICT-WIDE PERCENTAGE OF LOW-INCOME CHILDREN

**LEA # 13**

The local school system may rank schools using the district-wide poverty average or the district-wide grade span poverty averages for the respective grade span groupings. Based on the data source(s) noted in Table 7-1, the district-wide average of low-income children is calculated below. Use the official number of students approved for FARMS as of October 31, 2008 to complete this table along with the September 30, 2008 enrollment data. Pre-k must be included in these numbers and counted as one child.

#### Using Free Counts

| 4,752 | Total Number of Low-Income Children Attending ALL Public Schools (October 31, 2008) |
| 49,905 | Total Local School System Student Enrollment (September 30, 2008) |
| 9.52% | District-Wide Average (percentage) of Low-Income Children |

#### Using FARMS Counts

| 6,442 | Total Number of Low-Income Children Attending ALL Public Schools (October 31, 2008) |
| 49,905 | Total Local School System Student Enrollment (September 30, 2008) |
| 12.91% | District-Wide Average (percentage) of Low-Income Children |
A school system’s organization of its schools defines its grade span groupings. For example, if the district has elementary schools serving grades Pre-K-5, middle schools serving grades 6-8, and high schools serving grades 9-12, the grade span groupings would be the same. To the extent a school system has schools that overlap grade spans (e.g. Pre-K-6, K-8, 6-9) the school system may include a school in the grade span in which it is most appropriate. Based on the data source(s) noted in Table 7-1 and the district-wide average in Table 7-3, INDICATE below the district-wide grade span poverty averages for each grade span groupings.

### Table 7-7 TITLE I SKIPPED SCHOOLS

**LEA # 13**

This table should only be completed if the LSS has received prior written approval from MSDE. Section 1113(b)(1)(D) of ESEA includes a "skipping provision" that permits the school system not to serve an eligible Title I school that has a higher percentage of low-income students if the school meets all three of the following conditions: The school meets the comparability requirements of section 1120(A)(c). The school is receiving compensatory funds from other state and local sources that are spent in accordance with the requirements of Sections 1114 and 1115. (Services must be Title I-like.) The funds expended from these other sources equal or exceed the amount that would be provided by Title I.

Table 7-8 LOCAL SCHOOL SYSTEM RESERVATIONS FROM TITLE I ALLOCATION

Before allocating funds to schools, a school system MUST reserve funds for certain services. Reservations (set aside) should be made for reasonable and necessary expenditures to provide services to children in participating Title I schools. Because the reservation of funds will reduce the amount of funds available for distribution to public schools as well as the program for private school students, consultation with teachers, principals, parents, and private school officials must include discussion on why the reservations are necessary.

Equitable share for private schools must be identified in lines 1 and 2. LIST (calculate) the amount of reservations the district will set-aside from the Title I allocation for activities authorized by ESEA. Dear Parents:

The federal law, *No Child Left Behind Act of 2001*, contains several provisions that promote a parent/school partnership through communication. One such provision gives parents the right to ask for and receive information about the professional qualifications of their child’s classroom teacher. A parent may request the following:

- Any college or university degrees or certifications held by the teacher
- The subject area of the teacher’s degree or certification
- Whether the teacher is certified by the State of Maryland to teach a particular grade level or subject area
- Whether the teacher holds a conditional certificate
- Whether the student is served by paraprofessionals and, if so, the qualifications of the paraprofessionals.

If you would like to request the professional qualifications of your child’s classroom teacher or paraprofessional, please submit a written request to your child’s principal. Your child’s principal will provide the information to you within 30 business days of the date of your request.

At the local level, the Howard County Public School System has developed the *Bridge to Excellence Master Plan*. Within the plan, the district outlines a systemic approach to instruction and school improvement. In order to accelerate learning so that *all* students meet or exceed local and state standards, staff, students, parents, and the community must work together to reach our goals, which are as follows:

1. *Each child, regardless of race, ethnicity, gender, disability or socioeconomic status, will meet the rigorous performance standards that have been established. All diploma-bound students will perform on or above grade level in all measured content areas.*

2. *Each school will provide a safe and nurturing school environment that values our diversity and commonality.*

Howard County’s learning community is recognized nationally for its excellence in teaching and learning. I am proud of the preparation, performance, and commitment of the school system’s professional and paraprofessional staff.

Thank you for supporting your child’s education. The school system welcomes your involvement in helping us reach our goals.

Sincerely,

Sydney Cousin

Estimados Padres:

La ley federal, Ley Ningún Niño Se Queda Atrás del 2001 (No Child Left Behind), contiene varias disposiciones que promueven una alianza entre los padres y las escuelas a través de la comunicación. Una de dichas disposiciones otorga a los padres el derecho a solicitar y recibir información sobre las calificaciones profesionales del maestro de clase de su hijo/a. Un padre puede solicitar lo siguiente:

- Títulos o certificaciones terciarios o universitarios que tuviera el maestro
- Área de estudio del título o certificación del maestro
- Si la certificación del maestro es del estado de Maryland para enseñar un grado o asignatura en particular
- Si el maestro tiene un certificado provisorio
- Si personal auxiliar da clases al estudiante y, de ser así, las calificaciones de dicho personal.

Si desea obtener las calificaciones profesionales del maestro o personal auxiliar que da clases a su hijo/a, por favor envíe un pedido por escrito al director de su hijo/a. El director de su hijo/a le proveerá la información dentro de los 30 días hábiles a partir de la fecha de su solicitud.

A nivel local, el Sistema de Escuelas Públicas del Condado de Howard desarrolló el Plan Maestro Puente hacia la Excelencia. Dentro del plan, el distrito detalla un enfoque sistémico hacia la instrucción y mejora escolar. Para acelerar el aprendizaje y lograr que todos los estudiantes alcancen o excedan los niveles locales y estatales, el personal escolar, los estudiantes, los padres, y la comunidad deben trabajar conjuntamente para alcanzar nuestras metas, que se detallan a continuación:

1. Cada estudiante, sin distinción de raza, origen étnico, nivel socioeconómico, discapacidad, o sexo, alcanzará o excederá los niveles rigurosos de desempeño.

2. El Sistema de Escuelas Públicas del Condado de Howard proporcionará un ámbito escolar seguro y acogedor que valore la diversidad y aquello que tenemos en común.

La comunidad aprendiz del Condado de Howard es reconocida a nivel nacional por su excelencia en la enseñanza y el aprendizaje. Estoy orgulloso de la preparación, desempeño, y compromiso del personal docente y auxiliar del sistema escolar.

Gracias por apoyar la educación de su hijo/a. El sistema escolar agradece su participación para ayudarnos a lograr nuestras metas.

Atentamente,

亲爱的家长：

联邦法—“2001年不让一个孩子掉队法案”中制定了一些条例，鼓励和推动家长与学校之间的彼此交流与合作。其中一项条例赋予家长索取并获得到自己孩子老师的资料，了解他们的专业水平的权利。依照该条例，家长可以索取下列资料：

- 老师所拥有的大学文凭或证书
- 老师所拥有的文凭或证书的专业
- 老师是否由马里兰州政府核准教授某一年级或某一课程
- 老师是否持有临时证书
- 学生是否得到助教的帮助，如果是，助教的条件是什么

如果您想索取自己孩子老师或助教的专业水平资料，请向孩子就读的学校校长提出书面要求。校长将在收到您的要求之后30个工作日内为您提供所需的信息。

在地方的层面上，海华并公立学校系统制定了“通化之路主导计划”。该计划扼要地列出了一项改善教学和学校的有效方案。为了促进孩子学习，使所有的学生达到或超过地方和州立标准，教职员工、学生、家长和社会必须一起合作，达到我们以下的目标：

1. 每一个孩子，无论其种族、肤色、社会经济状况、残障或性别，都将达到或超过严格的成就标准。所有希望得到高中毕业证书的学生在各方面考核中都将达到或超过年级水平。
2. 海华并公立学校系统将提供一个安全舒适、求同存异的教学环境。

海华并教学条件的学校环境在全美国都有口皆碑。数以学校系统的专业人员和专业助理人员为提高教学质量所作出的准备、努力和奉献而深感自豪。

NCLB Parent Information Letter (International Student & Family Services, Chinese, MS – 08/08)
September, 2009

Dear Parents,

Recently you received a letter from Dr. Sydney Cousin, Superintendent of the Howard County Public School System, outlining some of the principles of this new federal legislation, the *No Child Left Behind Act of 2001* (NCLB). This legislation requires notification to parents of students who attend schools receiving funds under Title I, Part A, when their child has been taught in a core subject area for four or more consecutive weeks by a teacher who has not met the Federal definition of a highly qualified teacher.

In the interest of providing important information to our parents, I am notifying you that a teacher assigned to your child’s class does not yet meet the new Federal definition of “highly qualified.” The teacher may fall into one of the following situations:

- Teaching with a Maryland Conditional Certificate
  Example: a teacher who may have a rich background and/or experiences in his/her academic content area (often areas where critical teacher shortages exist) and who is currently completing required education courses and/or tests
- Has a Maryland Teacher Certificate, but is teaching outside his/her field of certification
  Example: a teacher certified in Math who is teaching Science
- Is certified in Elementary Education but has not met the new Federal requirements
  Example: a teacher, who was hired prior to a state test being required for certification in Maryland and does not hold an Advanced Professional Certificate
- Is certified in Early Childhood Education, but has now found that the test he/she has taken is no longer deemed valid according to Federal requirements

The Howard County Public School System is extremely proud of the teachers we employ. Most importantly, you can be assured that all teachers on our faculty are well qualified and supported in order to provide daily instruction to your child. The school system is working diligently with all of our teachers so they will be identified as “highly qualified” according to the Federal legislation.

The following teacher on our faculty, who is instructing your child, is currently working toward meeting NCLB requirements, which will satisfy the new Federal definition of a highly qualified teacher: (Insert the name and assignments of the teacher determined to be “not highly qualified” on your school’s faculty here).

I appreciate your continued interest and support of your child’s educational program. Please contact me at [insert telephone number] if you have any questions regarding this issue.

Sincerely,

Principal
NCLB Letter from Principal (Office of International Student and Family, Urdu, SR, 08/08)
Septiembre del 2009

Estimados padres,

Recientemente, ustedes recibieron una carta del Dr. Sydney Cousin, Superintendente del Sistema de Escuelas Públicas del Condado de Howard, explicando resumidamente algunos de los principios de la nueva legislación federal, la Ley Ningún Niño Se Queda Atrás del 2001 (No Child Left Behind Act of 2001 (NCLB)). Esta legislación requiere notificar a los padres de estudiantes que asisten a escuelas que reciben fondos bajo el Título I, Parte A, cuando su niño/a recibió instrucción en un área principal de estudios durante un mínimo de cuatro semanas consecutivas, de un/a maestro/a que no cumple con la definición federal de maestro/a altamente calificado/a.

Con el fin de proporcionar información importante a nuestros padres, les notifico que un/a maestro/a asignado/a a la clase de su niño/a aún no cumple con la nueva definición federal de “altamente calificado.” El/la maestro/a puede encontrarse en una de las situaciones siguientes:

- Enseña con un Certificado Condicional de Maryland
  Ejemplo: un maestro que puede contar con una vasta formación y/o experiencia en su área de contenido académico (muchas veces, áreas donde existen carencias críticas de maestros) y que actualmente está completando los cursos de educación y/o exámenes requeridos.

- Cuenta con un Certificado de Maestro de Maryland, pero enseña fuera de su campo de certificación
  Ejemplo: un maestro certificado en matemáticas que enseña ciencias.

- Está certificado en Educación Primaria pero no ha logrado los requisitos federales nuevos
  Ejemplo: un maestro que fue empleado antes de que un examen estatal fuera requerido para su certificación en Maryland y que no cuenta con un Certificado de Avance Profesional.

- Está certificado en Educación de Niñez Temprana, pero descubrió ahora que el examen que tomó ya no se considera válido conforme a los requisitos federales.

El Sistema de Escuelas Públicas del Condado de Howard está extremadamente orgulloso de los maestros que emplea. Más aún, pueden estar seguros de que todos los maestros del cuerpo docente cuentan con muy buena calificación y apoyo para proporcionar instrucción diaria a su niño/a. El sistema escolar trabaja concienzudamente con todos sus maestros para ser identificados como “altamente calificados” de acuerdo a la legislación federal.

El/la maestro/a siguiente de nuestro cuerpo docente, quien instruye a su niño/a, se encuentra actualmente trabajando para satisfacer los requisitos de la ley NCLB, lo cual cumplirá con la nueva definición federal de un maestro altamente calificado. (Insert the name and assignments of the teacher determined to be “not highly qualified” on your school’s faculty here).

Aprecio su interés y apoyo continuos en el programa educativo de su niño/a. Por favor, comuniquese conmigo al insert telephone number si tiene alguna pregunta sobre este tema.

Atentamente,

Director/a

여러분들에게는 하와이 카운티 공립학교 시스템의 교육감이신 시드니 키즌 박사님께서 보내신 2009년 10월부 신문에 게재된 새로운 정부 엄격한 “No Child Left Behind(NCLB)”의 복잡하고 병든 적극 있는 편지를 읽으셨을 것입니다. 이 법규의 A부문은 학생들이 국가에서 지정한 높은 수준의 교사로부터 1주 이상의 연속된 수업을 주요 과목에서 받지 못할 경우, 자녀들 I의 재정 지원을 받는 학교에 개학하는 학생들의 부모님들에게 통보해 드릴 것을 규정해 놓고 있습니다.

부모님들에게 이러한 중요한 정보를 전해드리고자 하는 일환으로, 자녀가 듣는 과목의 교사가 새로운 국가 법에서 지정한 “높은 수준”의 교사가 아닌 아닐 것이라는 것을 알려 드리고자 합니다. 그 교사는 다음에 서술되는 것 중 하나의 몇에 들어갈 것입니다.

No Child Left Behind Letter from Principal (Office of International Student and Family, Vietnamese – 1h, 08/08)
2009 年 9 月

亲爱的家长，

最近，您曾收到过海华郡公立学校系统总裁 Sydney Cousin 博士的一封信，扼要地介绍了一项新的联邦法案 - 2001 不让一个孩子掉队法案（No Child Left Behind Act of 2001-NCLB）。这一法案要求，如果学生在“第一技能”第一章（Title I, Part A）资助的学校上学，并且所学的一门主课连续四周以上是由一位尚未达到联邦政府所规定的“非常合格”（highly qualified）标准的老师教授，学校必须通知家长。

现在我通知您，教您孩子的一位老师尚未达到联邦政府所规定的“非常合格”之要求。这位老师的情形可能是以下的一种：

- 只有暂时的马里兰州教师证书
  例如：一位老师可能在自己所教的科目（通常也是缺乏教师的科目）有很强的背景和/或丰富的经验，然而目前还在完成所要求的课程和/或考试

- 持有马里兰州教师证书，但尚未达到新课程要求的课
  例如：一位持有数学证书的老师在教科学课

- 持有小学教育证书，但尚未达到新的联邦要求
  例如：一位老师在马里兰州要求教师证书之前就已经参加工作，并且没有高级专业证书

- 持有儿童早期教育证书，但按联邦规定，他/她以前所通过或参加的考试已不再有效

海华郡公立学校系统以自己所拥有的优秀教师队伍为骄傲。最重要的是，有一点您可以尽管放心，就是我们所有的老师都具有高水平，并且得到高度的重视和支持。因而他们每天都在为您的孩子提供高质量的教学。学校系统正在和所有的老师一起努力，让每一位老师都达到联邦法案所规定的“非常合格”之标准。

下列是您孩子的老师中尚未、但是正在努力达到 NCLB 要求、继而达到联邦“非常合格”之标准的老师的名单。 (Insert the name and assignments of the teacher determined to be “not highly qualified” on your school’s faculty here.)

感激您对您孩子教育的不断关心和支持。如果您对此有任何问题，请打 (insert telephone number) 与我联系。

此致，
敬礼！

* Two local assessments

The above table describes the areas where each student was and will continue to be ranked. All students may receive up to 60 points. The 60 points are divided equally between 30 points for reading measures and 30 points for mathematics measures in each grade level. This will allow schools to look at a composite score or a subject specific score. Each sub-score is leveled on a 1-10 scale.

For example, a high performing 3rd grade student may receive 60 points if they were identified as above grade level on the report card (a combination of classroom assessments and teacher judgment), were in the highest range of scores on the mathematics assessment and SAT-10 in reading and mathematics, and reading above a grade appropriate benchmark.

As students transfer into Title I schools, they may be added to the ranking. During the Fall Semester, students will be reranked to include kindergarten students and new students. Students in grades 1-5 will additionally be reranked in the spring. This data will form a list of students that will receive academic interventions in reading and mathematics. After receiving the ranking, the Title I schools will engage in data conversations to establish groups based on the needs of students. The schools will flexibly group, progress monitor, and make changes to groups as needed. They will use the ranking to schedule interventions and inform families of the students' participation in Title I.
I. Policy Statement

The Board of Education of Howard County believes that the education of children is a responsibility shared by parents, families, the school system and the community.

The Board recognizes the parent as the child’s first and lifelong teacher and that it is essential to involve parents in educational decisions as caring advocates for their children. The Board of Education is committed to promoting the involvement of all parents of students in the Howard County Public School System (HCPSS), regardless of culture, religion, socio-economic status, race/ethnicity, disability, gender, marital status, sexual orientation, primary language, parent/family education, geographical location or any other factor that may limit involvement.
