I am deeply appreciative to our community partners for uniting with our school system to support HCPSS students. You have been there for our students for more than 30 years and that commitment did not waver as we closed our school buildings due to the COVID-19 pandemic. You have stepped up to provide the necessary wraparound supports that our students, families and staff need. Whether it is school supplies, technology, after-school services, I am so pleased that we have a network of community organizations and individuals always willing to lend their time, talent, and resources.

We were thrilled when our educational foundation, the Bright Minds Foundation, established the Access to Learning Fund to help ensure that students have access to the technology and materials that are essential for learning in a virtual environment. Your donations to the fund are helping us establish a strong infrastructure that we can continue to build upon to support a robust online learning program.

We value the support of each of the hundreds of businesses, non-profit organizations and government agencies listed in these pages who contribute countless hours, immeasurable resources and invaluable expertise each year. Thank you for joining with us to prepare every student for lifelong success.

Sincerely,

Michael J. Martirano, Ed.D.

The Educational Partnerships Annual Report reflects partnerships active between July 1, 2019 and June 30, 2020. If there are any errors or omissions, please accept our apologies and inform the Partnerships Office at partnerships@hcpss.org.

Each year, this report reflects on the dedication of a community invested in education. At the start of 2019–20, none of us imagined how our lives and community would be transformed by the COVID-19 pandemic. As HCPSS reinvented teaching and implemented changes that education has not seen in more than 50 years, you — our valued partners — were there to help care for our students and staff. This was an incredible effort because at the same time your organizations were experiencing unparalleled changes.

This Educational Partnerships Annual Report highlights the support you provided for the 2019–20 school year, including activities that occurred before March 2020. The impact of this pandemic will be long-lasting, but we know that together we will overcome hardships, learn lessons that will lead to innovation and create a better future for our students and community.

We are exceedingly grateful.
It takes each one of us to ensure that Howard County students can achieve more than they think possible. Since 1986, partners have been contributing expertise and resources to support students with nearly everything from experiential learning opportunities and career exploration to access to food on the weekends. Today, 1,196 partners are making a difference for HCPSS students and staff. We value the community’s commitment to academic excellence and ensuring equity so that every student has the opportunity to succeed.

“Work hard and be kind.”
— Superintendent Martirano

1,196 Partners

- Businesses: 56%
- Nonprofit Organizations: 21%
- Education Organizations: 10%
- Government Entities: 9%
- Faith Groups: 4%

Annual value of partnerships: $5,651,520

Number of partners supporting:
- Superintendent Advisories: 48
- Student Well-Being: 90
- Special Education: 125
- Student Internships: 461
- Curriculum: 191
- Staff Professional Development: 27
- Fine Arts: 34
Strong partnerships build strong futures. Partners help us create engaging learning environments and foster a lifelong love of learning. Through authentic, relevant experiences, partners provide opportunities for students to play side by side with professional musicians, acquire entrepreneurial skills, and serve as student scientists by studying and addressing environmental issues facing the community.

Partners can ignite a spark that changes a student’s life forever. Together with dedicated partners, we inspire tomorrow’s leaders and prepare the next generation for a successful future.
Mentoring empowers learning and growth among all participants. At the core, a successful mentor is someone who cares. At HCPSS, mentoring relationships can be adult-to-adult and adult-to-student and can have a variety of purposes: career exploration, social-emotional growth, cultural appreciation or sharing of strategies and experiences. Intergenerational mentoring between our students and older county residents creates a more cohesive community by enhancing understanding and respect.

In addition to mentoring relationships, HCPSS implements superintendent and curriculum advisories, professional development sessions, parent academies and other programs that allow HCPSS leaders and staff to share information with and learn from members of the community.

“Tiwanna (NSA) is a committed supporter providing college & career guidance, scholarship opportunities and networking events for female students pursuing male-dominated professions”

– Applications and Research Lab Community Liaison

Since 2006, International Parent Leadership Program graduates 382

461 partners provide students with career experiences

516 students participating in A–OK Mentoring–Tutoring program

90% teachers reported positive progress in students’ academics

14 after-school Mathematics Engineering Science Achievement (MESA) programs build in-demand skills

334 MESA participants; more than 50% are girls

8 HCPSS Educational Partnerships 2019–20 Annual Report

9 HCPSS Educational Partnerships 2019–20 Annual Report
Well before the last school bus was heading out the day the Maryland Superintendent of Schools announced that all public schools would be closed, you were reaching out to us asking how you could support our students. Our community partners quickly mobilized to help thousands of students and their families secure food, hygiene items, grocery gift cards and much more.

Partners were just as committed to ensuring that students had what they needed to be successful academically in this new distance learning environment. Donors and volunteers supplied students with a variety of materials, ranging from computers and books to math manipulatives and school supplies. The Bright Minds Foundation, the school system’s educational foundation, launched an emergency Access to Learning Fund to raise money for critical educational resources for students during the pandemic.

Our “new normal” includes phrases such as “social distancing” and “self-isolation.” HCPSS partners are making sure that students and their parents know that even though we are apart during these challenging times, we will navigate through the uncertainty together.

"One student was so excited that he was waiting by his door with a huge smile on his face! Your efforts on behalf of the children in the community are heart-warming.”

– Elementary School Principal

"Grace Community Church has been an amazing friend to our school. They are there with support in any way that is needed.”

– Elementary School Principal
Maryland Secretary of Agriculture Joseph Bartenfelder reads to students during the Howard County Farm-City Celebration.

NAMI signed a partnership with HCPSS to collaborate on mental health awareness and suicide prevention initiatives.

More than 100 students shop at Homewood’s Recycled Treasure Sale.

Community and system leaders gathered at the Bright Minds Foundation annual State of Our Schools event.

Big Smiles helps keep students healthy with donated dental care services.

The Beyond 20/20 Maryland Optometric Association program provides free vision services for students.

The Bright Minds Foundation Access to Learning Fund supports school supplies, assistive technology, internet connectivity, learning materials, online subscriptions, mailing costs, and more.

The Grill at Lisbon treated families to hot meals at the weekly Lisbon Elementary School Food & Fun To Go program.
At-Large Partners

At-Large partnerships are relationships that support the Howard County Public School System’s systemwide goals. Many at-large partners also have individual partnerships with schools of their choice. At-Large partners for the 2019-20 school year were:

Welcome to the HCPSS Educational Partnerships 2019–20 Annual Report

The report provides a snapshot of the year, highlighting the achievements and impact of the partnerships with schools and community organizations. It includes details on the programs, services, and initiatives that support student success and community engagement.

The report also highlights the partnerships with various organizations, such as the Howard County Government, the Howard County Public Schools, and the Howard County Community College.

Overall, the report showcases the collaborative efforts that are taking place to improve educational outcomes and community well-being.

HCPSS Educational Partnerships 2019–20 Annual Report
Special Education

The Special Education Program provides instructional and related services on a countywide basis to address students’ unique learning needs, cultivate independence, and promote college and career readiness. The program provides a continuum of services and programs ranging from consultation, specialized instruction for students with Individualized Education Plans, community and family support, job coaching and high school transition programs. Partners for the 2019–20 school year included:

- Alkon Laboratories
- Arbor Terrace
- Athletics Serving Athletes
- B&O Ellicott City Station Museum
- Barnes & Noble, The Mall in Columbia
- Bat-Yeridam Preschool and Kindergarten
- Barx & Featherbeard
- Bonheur Patissiers & Deli
- Books With A Past
- Bridges to Housing Stability, Inc.
- Bridgewater Community Church
- Brunswick Zone Normandy
- Burger King, Centre Park Drive
- Caribou
- Carbarn Italian Grill
- Carlsbad Elementary School
- Chick-A-Ma-Jilla in Columbia
- Christopher’s Barber Studio
- Clark’s Elcock Farm
- Coastal Sunbelt Produce
- Cullen Wegschal, Affiliated Insurance Agent
- Colossus Gym
- Columbia Association
- Columbia Athletic Club
- Columbia, Inc
- Columbia Foundation, Habitat for Humanity of the Chesapeake
- Community Ecology Institute, Fresh Farm
