

**EDUCATIONAL
PARTNERSHIPS
2020-21 ANNUAL REPORT**

HOWARD COUNTY PUBLIC SCHOOL SYSTEM

A Message from the Superintendent

Community partners fill a unique and essential role in ensuring all students receive the opportunities and encouragement that help them succeed academically and socially. Our partners are always there for our students, showing unwavering commitment that has continued throughout the many challenges related to the COVID-19 pandemic. This participation embodies the spirit of love, acceptance and interconnectedness that is at the heart of the *HCPSS Strategic Call to Action: Learning and Leading with Equity*.

Hundreds of community partners give selflessly to provide additional opportunities that supplement and enrich our students' education. We are grateful to the many partners who have supported Bright Minds, HCPSS' educational foundation, through its *Access to Learning Fund* and other programs. Bright Minds' funding support has allowed our school system to more quickly address emerging needs for learning resources and tools as they arise.

We treasure the dedication of each of the hundreds of businesses, non-profit organizations and government agencies listed in these pages who contribute countless hours, immeasurable resources and invaluable expertise each year. Thank you for joining with us to prepare every student for lifelong success.

Sincerely,

Michael J. Martirano, Ed.D.

EDUCATIONAL PARTNERSHIPS 2020–21 ANNUAL REPORT

The 2020-2021 school year may go down as the most difficult in the history of America's schools. While our nation faced the struggles of a global pandemic and social discord, our students and teachers transitioned between changing modes of learning and teaching.

Through it all, dedicated educators, motivated partners, and determined students and families tackled great difficulties with courage and resolve. Students adapted to the challenges and developed resiliency that will help them flourish throughout their lives.

During the year, educators and partners approached education in innovative ways by leveraging our collective abilities and resources. HCPSS is grateful to our partners for their steadfast support, flexibility and commitment to our students.

This **Educational Partnerships Annual Report** demonstrates how together we can make Howard County a thriving community for many years to come.

Rigorous and Relevant Instruction

COVID-19 forced schools worldwide to change the way teachers taught and students learned. Complex planning was required to shift between instructional models, accommodate student needs, and follow health requirements. HCPSS focused on delivering a robust learning program, regardless of the instructional model. Our partners remained committed to helping us with needed educational tools, engagement and attendance challenges, technology resources, and more.

Always Reading supplied **200** diverse books to Running Brook Elementary

The new Howard County Circuit Court building features pieces from **50** student artists

Music teachers connect with students virtually thanks to **850** online interactive music books from the Bright Minds Foundation's *Access to Learning Fund*. The Fund has served **30,000** students with educational resources

60 middle school students participated in a *Summer Scholars* program developed with the Local Children's Board

Industry experts support **24** Career Academies enabling students to prepare for future education and the world of work

STRENGTHENING Families

"I am humbled by the support of our partners to help us make connections. It has not been easy, but we may have emerged stronger."

Kathleen Miller, Title I Family Involvement Contact

Having their basic needs met is a critical first step before students can focus on learning and completing complex tasks. COVID-19 made it clear that fast, reliable internet service has also become a basic need to learn and work in our highly virtual world. HCPSS averaged more than 500 homeless students per year over the last decade, and many more students and families are facing economic challenges. Our partners understand that none of us can do our best if we are in need of food, clothing, shelter, or connectivity and over the years, they have stepped up to provide these essential resources.

Howard County Health Department supports students with telemedicine, COVID-19 testing, immunizations, sports physicals, and vision and hearing screenings

HCPSS teamed with Bright Minds Foundation to provide free internet service to **1,000+** families

Partners collected **100s** of coats, hats and gloves for families to keep warm in the winter

Rotary Club of Columbia-Patuxent provided Thanksgiving meals to **65** Homewood Center families

7 churches joined the Neediest Kids program to deliver **12** pallets of clothes, blankets and backpacks to **250** families

Kiwanis Club of Ellicott City filled **150** backpacks with **5,000** ready-to-eat meals for students to have over winter break

The Catholic Community of Ascension and St. Augustine distributed **30**-pound boxes of fresh food to **5,000** families

Shared Responsibility

A “partnership” is a voluntary relationship between two or more organizations collaborating to achieve an agreed-upon objective. It is a commitment that requires time and investment to ensure that the connection is long-lasting. HCPSS appreciates that a partnership is not a one-way exchange but a two-way relationship: one in which both parties have a stake in the outcome. We take pride in giving back to a community that so generously supports our students and staff. Partnerships thrive in Howard County because education is a valued and treasured community asset for all involved.

HCPSS Nurses Rock!

Administered
400 COVID-19 tests
20,000 COVID-19 vaccines at **32** community clinics

School and central office employees purchased **300+** meals from local restaurants for the Grassroots Crisis Intervention Center

Students and staff volunteer at HC DrugFree Take Back collections where community members safely dispose of more than **1,000** pounds of medications

Historian and Wilde Lake High School educator Marcus Nicks shared his research on segregated schools in Howard County as part of the Library System's *Brave Voices, Brave Choices* initiative

did you know?

A newly-developed HCPSS *Community News and Programs* website enables families to discover educational and recreational resources, events and after-school programs offered by **90+** community non-profits

Gifted and Talented Program

The Gifted and Talented Program provides accelerated and enriched learning opportunities for students showing exceptional ability or interest in advanced-level studies. Gifted and Talented resource teachers at the elementary and middle school levels enhance the standard curriculum and provide specialized services to develop students' unique talents and aptitudes. At the high school level, intern/mentor opportunities provide a formal, site-based, academic relationship between a high school student and a professional. In this structured relationship, mentors guide students in the pursuit of knowledge and scholarly research. Program partners for the 2020–21 school year included:

Career and Technical Education (CTE)

Career and Technical Education offers a variety of programs, either school-based or at the centralized Applications and Research Laboratory, that prepare students to be successful in a career field of their choosing. CTE programs integrate the strengths of an academic education with the practical benefits of career and technology education. With the guidance of advisors and industry mentors, students have the unique opportunity to explore a career interest in-depth during high school. CTE partners for the 2020–21 school year included:
