

Course Request Change Form - Rising 6th Grade Students

Student Name: _____

Teacher recommendations are based on multiple criteria: classroom performance, student's expressed interest, student attendance and results on standardized measures.

This form is for a parent/guardian to request a course different from the teacher's recommendation.

- ☐ It is suggested that the parent/guardian have a conversation with the current teacher and/or G/T Resource Teacher about the course recommendation so there is an understanding of the rationale behind the committee's/teacher's recommendation.

NOTE: If a student is recommended for enrollment in Mathematics 6 but is requesting placement in Pre-Algebra G/T, a meeting with the elementary G/T Resource Teacher is required for the placement request.

Date of Meeting: _____ Initials: _____

- ☐ Further information on courses and curriculum expectations can be found in the middle school catalog (<http://www.hcpss.org/academics/>). Additional information regarding G/T course expectations is included on the reverse of this form.
- ☐ The student and parent/guardian must understand that it may not be possible to transfer out of the course due to scheduling limitations. In addition, note that level changes will only be permitted in accordance with Policy 8020. For further information please refer to [Policy 8020](#).

Requests received after the course request window is closed will be accommodated only if space is available.

G/T Course Expectations

Prior to completing the Course Request Change Form, please consider the following expectations associated with middle school G/T courses.

Pre-Algebra G/T - MA-303-1

- Students enrolled in on-grade-level math in 5th grade will be expected to apply mathematical concepts from the following courses prior to beginning the Pre-Algebra G/T course in 6th grade:
 - Mathematics 6 - <http://hcpssfamilymath.weebly.com/math-6-gr-6.html>
 - Mathematics 7 - <http://hcpssfamilymath.weebly.com/math-7-gr-67.html>
- Students enrolled in above-grade-level math in 5th grade will be expected to apply mathematical concepts from Mathematics 7 prior to beginning the Pre-Algebra G/T course in 6th grade.
- Students not placed in G/T Mathematics may select the above-level mathematics class, Mathematics 7 (MA-201-1), rather than Pre-Algebra G/T.

English G/T - LA-102-1

Geography and World Culture G/T - SO-101-1

Earth Science G/T - SC-105-1

- Students enrolled in English, Social Studies, and Science G/T will be expected to have advanced-level skills in the following areas:
 - Interpretation and analysis
 - Understanding and application of advanced concepts
 - Written language (development of arguments, citation of evidence, variation of sentence structure).

By signing this form I acknowledge that I will monitor my child's progress in the class to make sure the requested course remains appropriate with reasonable classroom support.
