Overview. In this unit, students’ immersion in the language will begin with greetings and introductions. They will learn what to say and how to act when greeting people in different social situations. As a part of that, students will take a look at names in French. They will also name common classroom objects, and ask and tell how words are spelled.

Essential Questions:
● What are some ways to begin using French immediately?

Enduring Understandings:
● The ability to communicate in meaningful and appropriate ways with users of other languages is the heart of world language study.
● Language study is a tool for communication with speakers of the language throughout one's life: in school, in the community, and abroad.
● Language and culture are intertwined.
