

### Acerca de la revisión de asignación de cursos

La meta del Sistema de Escuelas Públicas del Condado de Howard es preparar a estudiantes para el aprendizaje de por vida al cursar los cursos más desafiantes en los cuales puedan ser exitosos. Las recomendaciones de los maestros se basan en criterios múltiples que incluyen el desempeño en el salón de clases, el interés expresado de los estudiantes y resultados de las medidas estandarizadas. Este formulario en línea es para un padre o tutor que solicite una asignación de cursos diferente de la recomendada.
