PARENTS - STUDENTS LIST

To see your child's courses and current grades (for middle through HS students), click on your **Child's Name**.

To set your child's grade level for notification, click on the **Grade Notification** button. This optional feature enables a parent or guardian to set a notification threshold. If their child's aggregate grade in any of their courses falls below the threshold, the parent will receive an email on the designated day of the week.

Student Name	Student ID	Grade	School Name	
[REDACTED]	[REDACTED]	K	St. John's Lane Elementary School	
[REDACTED]	[REDACTED]	04	St. John's Lane Elementary School	
[REDACTED]	[REDACTED]	06	Dunloggin Middle School	Grade Notification

* There may be a momentary delay after clicking your Child's Name while the system pulls the current information.

When you click on the "Grade Notification" button, you will be redirected to the page as shown on the image below. You can add a numerical value and decide which day of the week you would like to receive an email.

GRADE NOTIFICATION

This optional feature enables a parent or guardian to set a notification threshold. If their child's aggregate grade in any of their courses falls below the threshold, the parent will receive an email on the designated day of the week.

To cancel grades threshold and email notifications, click on the **Cancel** button.

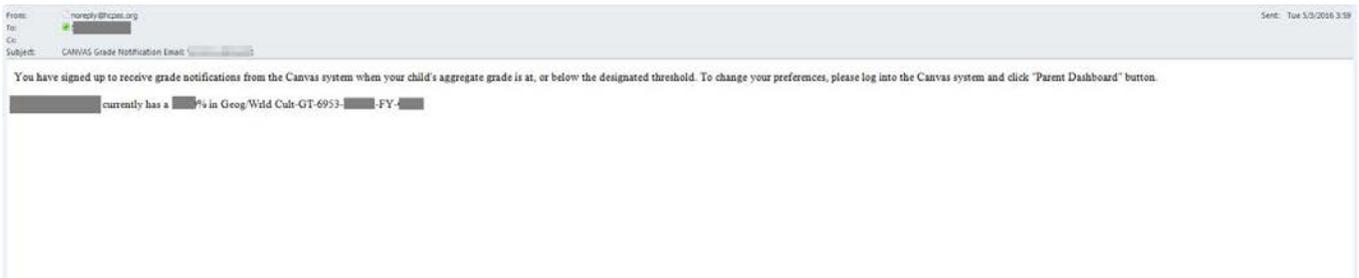

To save any of your changes, click on the **Save** button.

Notify if the Student score in any one of the courses falls below or equal to (%):

Email to be sent at what day(s) of the week? Select All Monday Tuesday Wednesday Thursday Friday Saturday Sunday

[Back](#) [Save](#)

You will receive an e-mail notification that appears as below. It will show the student's name, the course and the current grade. If multiple courses fell below the threshold, it would list each of them.

3. Clicking on a student's name will bring you to their current courses and grades.
