Important Questions	Answers	Why This Matters:		
What is the overall deductible?	In-Network: \$0.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own individual <u>deductible</u> , OR all family members may combine to meet the overall fam <u>deductible</u> before the <u>plan</u> begins to pay, depending upon plan coverage. Please refer to your contract for further details.		
Are there services covered before you meet your deductible?	Yes, all In-Network services are provided without a deductible.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u> <u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .		
Are there other deductibles for specific services?	There are no other specific deductibles.	You don't have to meet deductibles for specific services.		
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical: In-Network: \$2,000 individual/\$6,000 family.	The <u>out-of-pocket limit</u> is the most you could pay in a <u>plan</u> year for covered services. If you have other family member(s) on the <u>plan</u> , each family member may need to meet their own <u>out-of-pocket limits</u> , OR all family members may combine to meet the overall family <u>out-of-pocket limit</u> , depending upon <u>plan</u> coverage. Please refer to your contract for further details.		
What is not included in the out-of-pocket limit?	Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain preauthorization for services.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.		
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.carefirst.com or call 855-258-6518 for a list of Network providers.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.		
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the specialist you choose without a referral.
