### Service Credit for a Qualifying Leave of Absence

A member may be entitled to receive eligibility and creditable service for certain periods of employer approved leave of absence from employment, if the leave of absence meets the criteria for a "qualifying leave of absence" pursuant to the Board of Trustees' regulations, set forth at Code of Maryland Regulations 22.05.01. To receive service credit for a qualifying leave of absence, a member:

- Must properly complete and submit this application to the Retirement Agency (signed by both the member and the member's employer) before the member commences a qualifying leave of absence;
- Must supply supporting explanation and documentation of leave, and promptly provide additional information at the request of the Retirement Agency;
- Must not be otherwise entitled to receive eligibility and creditable service credit during the period of the member's absence under State Personnel and Pensions Article, Division II or III, Annotated Code of Maryland; and
- Must pay the required member contributions with regular interest before retirement, as provided in this regulation.

If a member separates from employment, any eligible service credit for a qualified leave of absence must be purchased within 60 days of the expiration of the leave of absence.

## **Notification of Military Service Entry**

If you are called to active military duty or active/inactive duty for training during your membership, you should file Form 46 before leaving employment. The filing of this form serves only to give the Maryland State Retirement Agency notice of your absence.

You may claim up to five years of military credit upon returning to work, provided:

- you return to work with a participating employer within one year of your discharge from active duty or training; and,
- you do not accept other permanent employment between your date of discharge and your return to work
