In the event that informal communications fail to resolve the dispute, the employee may file a grievance or the Association may file a grievance on behalf of the employee(s).
- B. The employee or Association must submit a written statement regarding the alleged grievance to the employee's immediate supervisor within twenty (20) duty days following the date of the occurrence (of alleged grievance).

The immediate supervisor shall respond to the employee in writing within ten (10) duty days after the meeting as to their disposition of the grievance. In the event that the grievant is not satisfied with the supervisor's response, they may appeal to Step II.

Either the HCEA Board of Directors or the Board may submit a summary statement detailing their position to be shared with the other Board prior to a final vote on proceeding to arbitration.

Employees shall follow the established procedure delineated in the Online Voluntary Transfer Request Process. The request shall include the name of the location associated with the request.
- A. The substantive determination of requests for voluntary transfers is within the exclusive province of the Superintendent of Schools and, as such, is not negotiable or subject to the grievance procedure. However, if the Superintendent determines that more than one employee is equally qualified for the position, it is recommended that the order for filling the vacancy be based on seniority.
  - B. Recommendations for voluntary transfers for paraeducators, health assistants, security assistants, and student assistants for the ensuing year will not be accepted and/or processed after August 1. With the approval of the releasing principal, this date can be waived until August 15 if the request does not cause a hardship on the educational program. An employee will have until August 1 to withdraw their transfer request or accept/deny in writing via email, any transfer offered by the principal. The acceptance/denial must be made within 24 hours of the written email transfer offer from the principal. If the employee declines the transfer offer, or fails to respond within 24 hours after the offer, their name will be removed from that school's transfer list for that school year.
  - C. A paraeducator, health assistant, security assistant, or student assistant may voluntarily transfer after October 1 during the school year provided the sending and receiving principals agree with the transfer and there is no disruption of the educational program as determined by the respective school principal. Paraeducators will not be released until a replacement is found for the transferring assistant.

When the IEP team determines that the student no longer requires a student assistant, then the student assistant shall be

assigned to an equivalent position with job duties substantially similar to their former position.

- 6.2 Involuntary Transfer Procedures - An employee will be involuntarily transferred when the number of unit positions or job classifications at a work site or department needs to be reduced. Notice of any involuntary transfer shall be provided to the employee thirty (30) calendar days prior to any transfer, except under extenuating circumstances. The Association will receive in a timely manner an involuntary transfer list detailing the names, positions, and work locations of impacted unit members.

However, it is recommended that the order of transfer among those not selected for retention, who are therefore eligible to be involuntarily transferred, be based on length of service.
- D. Reinstatement (Involuntary Transfers) - If an employee is involuntarily transferred, the employee shall be notified and offered an opportunity to apply to return to that position if the same position is restored within the school year or by October 15 of the current school year if said transfer occurred at the end of the previous school year.

- 6.4 Promotions - Vacancies shall be posted online through the Office of Human Resources. All current employees shall be eligible, depending upon their qualifications, to be considered for any promotional position. - C. Within each of the categories identified in B, the Superintendent may consider the following:
1. Work-related performance

  3. Length of service in the Howard County Public School System
  4. Needs of the respective school and/or school system
  5. Other relevant factors regarding the programs/services or those factors as determined by the Superintendent/designee

The presence of these provisions in B and C shall not be considered an admission of negotiability regarding such items.

- D. Recall - Employees on layoff shall be recalled in the inverse order of layoff. New employees will not be hired while there are qualified employees on layoff.
- E. Recall Notice - An employee on layoff shall be notified of recall by telephone and/or letter sent to the last address on record. The employee shall respond to the Office of Human Resources within fifteen (15) calendar days after receipt of the notification of the vacancy as to whether or not they will accept or reject the offer of the position. A nonresponse or a response received after fifteen (15) calendar days will be deemed as a rejection.

At the end of the one year the employee shall notify the Superintendent/designee if they desire to remain on the recall list for the second year. An employee may not remain on the list beyond the second year.

- 
- F. Benefit Continuation - An employee on layoff shall be afforded the opportunity to continue health insurance benefits by paying the full cost thereof to the Board quarterly in advance. Retirement continuation shall be consistent with state regulations and laws.

- 6.8 Employees hired on or after April 1 shall not be eligible for a step increase in the subsequent fiscal year.
- 6.9 All school-based employees will be notified in writing by July 1 of their tentative assignment for the forthcoming year. All employees will be given electronic access to their salary schedules, sick leave and personal leave accumulated for the forthcoming year no later than July 30, except in cases of emergency. Any employee may request and receive email or written confirmation of the salary and leave information identified in this section.
- 6.10 The superintendent may choose to designate up to one (1) employee who is non-probationary and is selected by the Howard County Public School System and the Association to be granted a role as an employee on special assignment at the current step and lane on their current salary scale for one (1) year for the purpose of engaging in collaborative HCPSS-Association activities.

---

- 13.1 The Board shall reimburse tuition cost for professional improvement training for undergraduate and graduate college course work successfully completed and approved in advance by the Superintendent/Designee. Employees must earn a “C” or better in the college courses. The tuition rate of reimbursement is the actual per credit cost up to \$350 per credit up to a maximum of 45 graduate credit hours and a rate of up to \$275 per credit up to a maximum of 24 undergraduate credit hours while employed by the Board. Documentation, proof of cost and proof of payment must be submitted within sixty (60) days of the end of the course. Employees working toward an approved teacher education or nursing program are eligible to apply unused undergraduate or graduate credit reimbursement toward courses in the approved program.

Probationary employees are not eligible to participate in the tuition reimbursement program. Probationary employees in this context do not include those employees who are serving a new re-evaluation period due to a promotion or transfer.

- 13.2 In addition to the above, the Board will provide \$15,000 annually to be administered by Article 13.2 Committee for employees to attend professional meetings and conferences for purposes other than licensure or certification.
- 13.3 Registration fees will be paid for workshops and conferences that result in an employee receiving continuing education credits for the purpose of licensure, certification, or recertification of that employee which are approved in advance by the Superintendent. For workshops or conferences attended during the workday, participants will receive their regular salary and these days will not be deducted from their sick or personal leave. Employees who attend workshops or conferences beyond the regular work day or on a weekend/holiday will not receive compensation for that time.
- 13.4 Employees shall receive payment for participating in school system-approved training programs conducted after regular work hours at a rate approved by the Superintendent/designee.

- 13.5 The Board will reimburse paraeducators who are required under the No Child Left Behind Act (NCLB) to pass the ParaPro test for the cost of one test if the employee passes the test.
- 13.6 The Board will reimburse school nurses who take the National School Nurse Certification test for the cost of one test if the employee passes the test and receives National School Nurse Certification.
- 13.7 The Board and Association will sustain a joint committee that collaboratively oversees the implementation of the ESP Professional Learning Plan.
- 13.8 Employees working with students identified with an IEP or who have a behavior plan and who may require restraint, will be provided appropriate training. Training will be provided during the employee's duty day and if training extends beyond the duty day hours the employee will be compensated for the additional training hours.
- 13.9 The Board and Association recognize that from time to time employees require a documented plan to assist in their professional growth. In order to effectively support the employee and provide appropriate resources, a non-disciplinary, non-evaluative Professional Growth Plan (PGP) should be developed to identify areas for growth and ensure optimum opportunity for the employee to improve their job performance.

The employee will be involved in the development of the PGP and will have an opportunity to provide input prior to the plan being finalized. Final approval of the PGP is at the discretion of the principal/supervisor. If the employee disagrees with the content of the PGP, they can attach a statement to the PGP noting their concerns. It is the responsibility of the employee to comply with the plan and work to improve in the areas noted for growth. It is the responsibility of the administrators to provide sufficient resources, tools, and timely feedback for the employee to comply with the plan.

Elements of the PGP will include areas identified as needing improvement and the resources to be provided by HCPSS to support the PGP. In order to monitor the employee's progress, monitoring dates should be scheduled at the outset of the PGP. However, this does not preclude the employee from requesting a review conference at any time during the duration of the plan. No such request will be unreasonably denied.

## Article 14: Sick Leave Bank

---

- 14.1 Purpose - The purpose of the Sick Leave Bank is to provide sick leave, in certain cases, to participating employees whose accumulated sick leave has been exhausted.

- 14.4 Contribution Rate – Annual rates of contribution shall be a maximum of two (2) days per year per employee as determined after examination of the 3 year usage trend data by the Association. - 14.8 The Association shall provide the Superintendent with an annual Sick Bank report by August 31 of each year detailing the beginning balance of sick bank days, additions to the sick bank, deductions from the sick bank, and ending balance in the sick bank as of June 30 each year.
- 14.9 For accounting and compliance purposes only, the Association will provide access to days and hours granted and used to the Superintendent/Designee on a quarterly basis.

## Article 15: Insurance Protection

---

### A. Life Insurance

The Board shall pay the full cost for group term life insurance protection equal to an employee's base salary (to the nearest thousand), with a minimum of ten thousand dollars (\$10,000) to be paid to the employee's designated beneficiary upon death and, in the event of accidental death, a sum not less than two (2) times that amount.

### B. Medical, Dental and Vision Insurance

For employees with a start date on or before June 30, 2011, the Board shall pay eighty-six percent (86%) of the premium cost of a group medical plan including prescription drugs for each employee and covered eligible dependent(s).

For employees with a start date on or after July 1, 2011, and on/or before June 30, 2021, the Board shall pay eighty-five percent (85%) of the premium cost of a group medical plan including prescription drugs for the employee and eligible dependent(s).

For employees with a continuous service date on or after July 1, 2021, the Board shall pay eighty-four percent (84%) of the premium cost of a group medical plan including prescription drugs for the employee and covered eligible dependents(s).

For the 2022 plan year, specialist copays are increasing by \$5.00. The Aetna and CareFirst HMO plans will change from \$15.00 to \$20.00 and the Aetna PPO plan will change from \$20.00 to \$25.00.

The Board will offer employees enrolled under the Variety of Insurance Program (VIP) vision and dental plan(s). Employees may elect to purchase vision and/or dental coverage for eligible dependents.

The selection and removal of health, dental, and/or vision carriers and their respective plans is at the Board's discretion.

The Board will establish a committee, to include representation from all bargaining units, to provide input on the HCPSS health benefits program. See Appendix A "Benefits Advisory Committee"

#### C. Variety of Insurance Program (VIP) Medical, Dental, and Vision Program

##### 1. Employee Election of Variety of Insurance Programs (VIP)

- a) Once an employee elects to participate in the VIP Program, they will not be allowed to participate in the prior insurance arrangement.
- b) The usual and customary charges will be determined by the third party administrator twice a year by using the average charges for the service area where the services were performed.
- c) Food Service Nutrition Assistants hired on or after July 1, 2000 shall be required to serve a 30 calendar day waiting period beginning in FY08 before becoming eligible for any medical, dental, and/or vision coverage.

##### 2. Employee Selection of Optional Benefits under the VIP Program

- a) If an employee elects to participate or becomes eligible to participate in the VIP Program, they must select among the optional benefits offered as part of the VIP Program. These optional benefits include:
  - 1) Medical Plan(s)
  - 2) Dental Plans(s)
  - 3) Vision Care Plan(s)
  - 4) Flexible Spending Accounts, including:
    - 5) Dependent Care Account
    - 6) Health Care Spending Account
    - 7) Benefit Dollars (pro-rated for part-time employees).

---

Information on health, dental, and/or vision plans will be made available to eligible employees during the Open Enrollment Period.

- b) The selection of optional benefits is an irrevocable election for the entire Plan Year except the election may be revoked and a new selection of benefits made if the employee has a change in family status (e.g., marriage, divorce, death of spouse or same-sex domestic partner, or child, birth or adoption of child, or termination of employment of spouse or same-sex domestic partner). This applies not only to participation in the insured programs, but also to the level of participation in the Dependent Care Account and the Health Care Spending Account.
- c) Each open enrollment period as established by the Board, employees electing or eligible to participate in the VIP Program will be given the opportunity to change the benefits they have selected. Each year employees will be informed of any changes in the VIP Program. This will give each employee the chance to review and compare various benefit alternatives in order to make the proper selection during the open enrollment period.
- d) Each Medical Plan alternative will have a specified number of "benefit credits" associated with its selection. These benefit credits may be used to purchase any of the optional insured benefits (Vision and Dental Plans or employee contributions for medical coverage) or to contribute to the Dependent Care Account or Health Care Spending Account.
- e) Each insured benefit option (Medical, Vision, and Dental Plans) will have a "price tag" or cost to an employee if that particular benefit is selected. Benefit credits may be used to purchase or pay the price of each insured's benefit selected. Amounts contributed to the Dependent Care Account or Health Care Spending Account are optional with employees choosing to contribute any amount within the plan limits. Employees may, however, purchase benefits whose total price tags exceed their benefit credits. In this case, the employee must make up the difference through employee contributions. All contributions to the VIP Program will be on a pretax basis. This means that federal and state income taxes will not be withheld on employee contributions nor will these contributions be included in an employee's gross wages as reported on W-2 Form. FICA tax will not be withheld. Employee contributions will be included in the annual salary for retirement and life insurance purposes.
- f) Participants in the Dependent Care Account must meet tax law requirements in order to participate in this plan. Contributions may only be used to reimburse an employee for expenses actually incurred during the Plan Year for which they were contributed. Any amounts remaining in the Dependent Assistance Account at the end of the Plan Year will be forfeited.
- g) The Health Care Spending Account will operate similar to the Dependent Care Account. The most important facts are that amounts contributed may only be used to reimburse expenses incurred during the Plan Year for which they were contributed, and amounts remaining at the end of the Plan Year will be forfeited.

- h) Employees may elect to receive their unused benefit dollars in cash, which will be added to their regular pay check. If the employee elects this option, the payments will be prorated on a per-pay basis. This amount is taxable.
- i) Total employee contributions to the Dependent Care Account and/or Health Care Spending Account will be prorated on a per-pay basis.
- j) Employees hired during the Plan Year will make their selection in advance of becoming eligible for VIP Program benefits. This election will be in effect for the remainder of the Plan Year (except for a qualified life status change creating a special enrollment period for individuals who did not enroll in a group health plan when they were first eligible due to the existence of alternative coverage.
- k) Employees with at least 15 years of cumulative service with HCPSS, are retiring with the Maryland State Retirement Pension System, and are enrolled in one of the school system’s medical, prescription, dental, and/or vision plans for at least one full year immediately prior to retirement date, are eligible for a Board contribution towards the cost of retiree coverage in accordance with the HCPSS Benefits Enrollment Guide for Retirees.
