Employees shall follow the established procedure delineated in the Online Voluntary Transfer Request Process. The request shall include the name of the location associated with the request.
- A. The substantive determination of requests for voluntary transfers is within the exclusive province of the Superintendent of Schools and, as such, is not negotiable or subject to the grievance procedure. However, if the Superintendent determines that more than one employee is equally qualified for the position, it is recommended that the order for filling the vacancy be based on seniority.
 - B. Recommendations for voluntary transfers for paraeducators, health assistants, security assistants, security officers, and student assistants for the ensuing year will not be accepted and/or processed after August 1. With the approval of the releasing principal,

- this date can be waived until August 15 if the request does not cause a hardship on the educational program. An employee will have until August 1 to withdraw their transfer request or accept/deny in writing via email, any transfer offered by the principal. The acceptance/denial must be made within 24 hours of the written email transfer offer from the principal. If the employee declines the transfer offer, or fails to respond within 24 hours after the offer, their name will be removed from that school's transfer list for that school year.
- C. A paraeducator, health assistant, security assistant, security officer, or student assistant may voluntarily transfer after October 1 during the school year provided the sending and receiving principals agree with the transfer and there is no disruption of the educational program as determined by the respective school principal. Paraeducators will not be released until a replacement is found for the transferring assistant.

When the IEP team determines that the student no longer requires a student assistant, then the student assistant shall be assigned to an equivalent position with job duties substantially similar to their former position.
- 6.2 Involuntary Transfer Procedures - An employee will be involuntarily transferred when the number of unit positions or job classifications at a work site or department needs to be reduced. Notice of any involuntary transfer shall be provided to the employee thirty (30) calendar days prior to any transfer, except under extenuating circumstances. The Association will receive in a timely manner an involuntary transfer list detailing the names, positions, and work locations of impacted unit members.

However, it is recommended that the order of transfer among those not selected for retention, who are therefore eligible to be involuntarily transferred, be based on length of service.
 - D. Reinstatement (Involuntary Transfers) - If an employee is involuntarily transferred, the employee shall be notified and offered an opportunity to apply to return to that position if the same position is restored within the school year or by October 15 of the current school year if said transfer occurred at the end of the previous school year.
- 6.3 Administrative Reassignment/Transfer – An administrative reassignment/transfer is a change in assignment or work location at the initiation of the superintendent/designee. - 6.4 Promotions - Vacancies shall be posted online through the Office of Human Resources. All current employees shall be eligible, depending upon their qualifications, to be considered for any promotional position. The Board will encourage supervisors to interview current employees, depending upon their qualifications, for any promotional position. Internal applicants for positions within the bargaining unit will be notified in a reasonable period of time when the vacancy has been filled. Probationary employees, including employees serving a probationary period due to a change in position should refer to 6.14.

- A. Notice - In case the Board of Education must implement a layoff, resulting in the loss of employment of unit members within the school system, due to any budget, administrative, and/or enrollment or food service participation related action, notice must be given to the employee and to the Association within 15 days of final action of the Board or fiscal authority as appropriate or June 30. The employee and the Association shall be provided with at least 30 calendar days advance notice of the effective date for any reductions in force after July 1.
 - B. In the event it becomes necessary to lay off employees, the layoff order shall be as follows:
 - 1) Temporary employees within the grade/classification.
 - 2) Probationary employees within the grade/classification. Probationary employees in this context do not include those employees who are serving a probationary period due to a change in position.

- 3) Non-probationary employees within the grade/classification.
- C. Within each of the categories identified in B, the Superintendent may consider the following:
- 1) Work-related performance
 - 2) Area of competence, education, and experience required
 - 3) Length of service in the Howard County Public School System
 - 4) Needs of the respective school and/or school system
 - 5) Other relevant factors regarding the programs/services or those factors as determined by the Superintendent/designee

The presence of these provisions in B and C shall not be considered an admission of negotiability regarding such items.

- D. Recall - Employees on layoff shall be recalled in the inverse order of layoff. New employees will not be hired while there are qualified employees on layoff.
- E. Recall Notice - An employee on layoff shall be notified of recall by telephone and/or letter sent to the last address on record. The employee shall respond to the Office of Human Resources within fifteen (15) calendar days after receipt of the notification of the vacancy as to whether or not they will accept or reject the offer of the position. A nonresponse or a response received after fifteen (15) calendar days will be deemed as a rejection.
- At the end of the one year the employee shall notify the Superintendent/designee if they desire to remain on the recall list for the second year. An employee may not remain on the list beyond the second year.

1. Calculation-For a full-time employee, seniority shall be calculated from the date that the employee first reported to work. Seniority rights shall become effective following completion of the probationary period of 120 worked duty days, retroactive to the first date of employment. For part-time employees excluded from the bargaining unit who become full-time employees as defined in this Agreement, seniority shall be retroactive to the first day of part-time employment.
2. Interruption in Service-Approved leaves of absences will neither count toward years of service for seniority purposes, or be considered a break in service.
3. Termination of Rights-An employee shall lose seniority rights if they resign.

6.8 Previously accumulated sick leave days will be restored to all employees who return to HCPSS, if the employee returns within seven (7) years, provided they have not previously retired from HCPSS, or had their leave transferred to another school system. Upon

separation from HCPSS employment, an employee's final leave balance will remain directly accessible to the employee in the HCPSS online system.

6.9 Placement on the salary schedule-

A. Newly hired employees shall receive credit for related work experience.

- a. To qualify, experience must be equivalent to a full-time position or a part-time position that is 20 hours or more a week.
- b. Effective with employees hired on or after July 1, 2018, credit not to exceed two (2) years for military experience or alternative civilian service required by the selective service system and not to exceed two (2) years for the Peace Corps or AmeriCorp work will be given upon initial employment.

B. Rehires:

Hires with previous Howard County Public Schools System experience returning within three (3) years of the departure from HCPSS will be given one (1) year of salary credit for every two (2) years of previous unrelated HCPSS experience earned up to a maximum of ten (10) years of service credit. This is in addition to related experience used to determine salary placement. Years of salary credit will only be used for the placement on the salary scale and will not constitute service credit towards longevity, stipends, bonuses, etc.

C. Promotions:

Employees currently employed with the HCPSS with years of service not obtained within the ESP unit will either be granted service credit not to exceed ten (10) years for the purpose of placement on the salary schedule or have their experience evaluated as if they were a new employee. The higher of the two methods will be used to determine step placement.

1. A non-probationary employee currently on the ESP hourly salary scale that is promoted to a position of a higher salary grade on the hourly salary scale will be placed at the higher of the two (2),
 - a. The step they would be placed on if they were being hired as a new employee, or
 - b. The employee's current step.
2. An employee promoted within their probationary period to a position with a higher salary grade will be evaluated as a new hire and given salary credit for related experience.
3. An employee promoted from an hourly salary scale to an annual salary scale will be placed at the higher of the two (2):
 - a. The salary and hours will be annualized in accordance with the hours and position the employee is being promoted to. The employee will then have 4% per salary lane on the appropriate salary schedule of the promoted position and placed at the appropriate step.

For example, a 10-month (210 days), 7-hour paid employee going into a 12-month (261 days), 7-hour paid position will have their current 10-month (210

days), salary annualized at 7-hours and 12-months (261 days). If moving from a Grade 10 to a Grade 21, 8% will be added and the employee will be placed on the closest step on a Grade 21.

or

b. The step they would be placed on if they were hired as a new employee

4. HCPSS employees who are promoted from one position on the Technical Central Office and School-Based scale to another position on that same scale will have the higher of the two methods used to determine step placement:
 - a. A 4% increase per salary lane for each grade between the current position and the position the employee is being promoted into. For example, a promotion from Grade 22 to Grade 25 would yield a 12% increase,
 - or
 - b. The step the employee would be placed on if they were hired as a new employee.

- 6.10 Employees shall be able to electronically view their paystubs no later than the pay date. All employees must either authorize direct deposit of pay directly through a bank designated by the employee or must obtain a pay card.

 - B. Upon completion of their term(s), the individual will return to their original position or a similar position and salary.
 - C. The HCPSS and Association will jointly develop evaluative and accountability measures regarding the special assignment.

The administrator/supervisor must provide written notification to the employee within thirty (30) working days of the initial probationary period ending. The written notification will include areas identified as needing improvement and the resources that HCPSS will provide to support the employee during the extended probationary period.

Should a position not be available for placement, the staff member's salary will be red-lined for one year and the individual will be placed in a position for which they are qualified until such a position is available. In the event the number of involuntary transfer request exceeds the number of open positions, qualified staff will be placed in the available position based on length of service.

- C. Upon return from leave granted pursuant to 8.7, 8.13, and 8.14, of this Article, an employee shall be restored to their former position or to a position of like nature and status and will be considered as if they were actively employed by the Board during the leave and will be placed on the salary schedule at the level they would have achieved if they had not been absent. The parties acknowledge that payment of workers' compensation leave under this section fully satisfies the Boards obligation to pay temporary total disability benefits under workers' compensation law so no duplication of benefits may occur during this 90 day period. As such, any workers' compensation payments made for temporary disability due to said injury and applicable to the aforementioned 90-day period shall be endorsed over to the Board. The intent of this provisory is to ensure that HCPSS covers the additional one-third (1/3) of an employee's Temporary Total Disability (TTD) award up to 90 days. The 90 days need not be consecutive.

The Board will reimburse the employee, through a third-party vendor, for the cost of medical, surgical, or hospital services (as covered under workers' compensation insurance) incurred as the result of any compensable injury sustained in the course of their employment.

If during the 90 day period the employee was granted leave from the sick bank, and it is subsequently determined that the employee was absent as a result of a compensable injury, the Board shall restore any used sick bank leave occurring during the aforementioned 90-day period.

If the employee is continued on temporary total disability from workers' compensation beyond the 90 work-day period or the employee is denied the benefit of the 90 work-day period but granted temporary total disability payments, the following options shall be available to them:

- A. The employee may elect to use their earned leave or sick leave to make up the difference between Workers' Compensation benefits and their full regular salary. The Board shall provide a supplement to the standard Workers' Compensation benefit so that the gross pay of the employee is equal to their regular gross pay. This supplemental pay will be charged against available sick leave on a pro-rated basis.
- B. The employee may apply for General Leave under Article 8 of this Agreement without affecting any benefits which may be due under the workers' compensation law.

The Board shall approve leave without pay for a medical condition that would otherwise have qualified for FML when the employee has exhausted their FML and paid leave options due to a workplace injury. The unpaid leave shall be at least the amount of FML time they would have had available without the workplace injury.

If the incident is exclusively related to the employee's personal life, it will not be covered under this provision.
- D.3 Health Room Control - Any nurse or health assistant threatened with physical abuse or abused in connection with their employment shall immediately report the incident in writing to their school administrator and the Health Services Coordinator. If the school administrator denies this request, upon request they will provide the employees rationale in writing for that denial. Employees who are approved for inclusion in that list who then experience challenges in accessing the training should contact DSE to assist in scheduling the training and will be given a response in writing with either a rationale for denial or next steps for receiving the training.
- D.10 When multiple incidents of physical abuse or threats of physical abuse occurs by one student towards staff in a 2-week period, an affected employee may request a written plan specific to that student, with specific preventative and responsive strategies to be taken in the case of further incidents. Documentation, proof of cost and proof of payment must be submitted within sixty (60) days of the end of the course. Employees working toward an approved teacher education or nursing program are eligible to apply unused undergraduate or graduate credit reimbursement toward courses in the approved program.

Probationary employees are not eligible to participate in the tuition reimbursement program. Probationary employees in this context do not include those employees who are serving a probationary period due to a change in position.

If an employee voluntarily leaves the school system, they may be required to reimburse HCPSS for tuition reimbursement received in the 12 months prior to their separation. The maximum amount is the lesser of 75% of the reimbursement received in the 12-month period or \$2500. HCPSS must notify the employee of its intent to recoup the tuition reimbursement within 1 year of the employee's separation. HCPSS will make every effort to provide access to this training and materials at least two weeks prior to the first day of implementation. Training will be provided during the employee’s duty day and if training extends beyond the duty day hours the employee will be compensated for the additional training hours. Failure to successfully perform related tasks will not be used as the basis for disciplinary or evaluative action if HCPSS has not provided access to the training or resources as outlined above.
- G.9 The Board and Association recognize that from time to time employees require a documented plan to assist in their professional growth. In order to effectively support the employee and provide appropriate resources, a non-disciplinary, non-evaluative Professional Growth Plan (PGP) should be developed to identify areas for growth and ensure optimum opportunity for the employee to improve their job performance.

The employee will be involved in the development of the PGP and will have an opportunity to provide input prior to the plan being finalized. Final approval of the PGP is at the discretion of the principal/supervisor. If the employee disagrees with the content of the PGP, they can attach a statement to the PGP noting their concerns. It is the responsibility of the employee to comply with the plan and work to improve in the areas noted for growth. It is the responsibility of the administrators to provide sufficient resources, tools, and timely feedback for the employee to comply with the plan.

Elements of the PGP will include areas identified as needing improvement and the resources to be provided by HCPSS to support the PGP. In order to monitor the employee’s progress, monitoring dates should be scheduled at the outset of the PGP. However, this does not

preclude the employee from requesting a review conference at any time during the duration of the plan. No such request will be unreasonably denied.

The intent of the Labor/Management Committee is to investigate, study, and discuss possible solutions to mutual problems affecting labor/management relations. The parties may also attempt to resolve differences of interpretation of negotiated matters. However, it is recognized that the Labor/Management Committee is not a substitute for the grievance procedure. Additionally, it is recognized that neither party will submit or otherwise seek modification of any negotiated term or condition of the agreement through the Labor/Management Committee and no bargaining will take place.

2. Membership

Standing members of the Labor/Management Committee will include the president or designee of the Howard County Education Association Educational Support Professionals (ESP) unit and two other ESP representatives of the Association to be determined by the president, and the Superintendent or designee and two other representatives of management determined by the Superintendent. Such additional meetings will be requested a minimum of two weeks in advance along with the proposed agenda items of the requesting party. The proposed agenda for all meetings shall normally be limited to one and one-half hours, shall include the topics along with a brief description, and will be submitted five days prior to the meeting to both parties. The individual designated to chair the meeting will be responsible for preparing and distributing the agenda. It is recognized that either party may initiate a topic not on the agenda provided the other party concurs that it is of an emergency nature or a current item that would be of benefit to be discussed as soon as possible.

6. General Guidelines

- a. As time permits, each topic will be discussed fully and recommendations made on the topic before proceeding to another topic.
- b. Topics requiring further study may be tabled and brought for further discussion at a future meeting.
- c. It is recognized that recommendations growing out of these meetings are not binding.
- d. No grievances shall be discussed and no bargaining shall take place. However, topics that could lead to grievances may be discussed.
- e. All Committee recommendations shall be reached by consensus. There shall never be a vote taken by the Committee.
- f. Where consensus is not reached, the topic shall be canceled, reverting to its proper place in the labor/management relationship – for instance, grievance procedure, negotiations, etc.
