The co-pay for medical specialists will increase by \$5 beginning in plan year 2022.

For reference purposes only - Effective January 1, 2022, the Board will offer a "high-deductible" health plan in addition to HMO and PPO plans.

The selection and removal of health, dental, and/or vision carriers and their respective plans is at the Board's discretion.

The Board will establish a committee, to include representation from all bargaining units, to provide input on the HCPSS health benefits program. See Appendix A Benefits Advisory Committee.

B. Medical, Dental, and Vision Program

1. Supervisor Election of Benefits

- a. Each year during open enrollment as established by the Board, each supervisor will be required to make an election regarding participating in benefits.
- b. This election will be irrevocable for the Plan Year.

2. Supervisor Selection of Optional Benefits

- a. If a supervisor elects to participate or becomes eligible to participate in benefits, they must select among the optional benefits offered. These benefits include:
 - 1) Medical Plan(s)
 - 2) Dental Plan(s)
 - 3) Vision Care Plan(s)

- 4) Flexible Spending Accounts, including:
 - Dependent Care Account
 - Health Care Spending Account
- 5) Benefit Dollars (pro-rated for part-time employees).

Information on health, dental, and/or vision plans will be made available to eligible supervisors during the Open Enrollment Period.

- b. The selection of optional benefits is an irrevocable election for the entire Plan Year except the election may be revoked and a new selection of benefits made if the administrator has a change in family status (e.g., marriage, divorce, death of spouse or same-sex domestic partner, or child, birth or adoption of child, or termination of employment of spouse or same sex domestic partner).
- c. Each open enrollment period as established by the Board, supervisors electing or eligible to participate will be given the opportunity to change the benefits they have selected. Each year Supervisors will be informed of any changes in benefits. This will give each employee the chance to review and compare various benefit alternatives in order to make the proper selection during the open enrollment period.
- d. Each Medical Plan alternative will have a specified number of “benefit credits” associated with its selection. These benefit credits may be used to purchase any of the optional insured benefits (Vision and Dental Plans or supervisor contributions for medical coverage) or contribute to the Dependent Care Account or Health Care Spending Account.
- e. Each insured benefit option (Medical, Vision, and Dental Plans) will have a “price tag” or cost to a supervisor if that particular benefit is selected. Benefit credits may be used to purchase or pay the price of each insured’s benefit selected. Amounts contributed to the Dependent Care Account or Health Care Spending Account are optional with employees choosing to contribute any amount within the plan limits. Supervisors may, however, purchase benefits whose total price tags exceed their benefit credits. In this case, the supervisor must make up the difference through supervisor contributions. All contributions to benefits will be on a pretax basis. This means that federal and state income taxes will not be withheld on supervisor contributions, nor will these contributions be included in a supervisor’s gross wages as reported on a W-2 form. FICA tax will not be withheld. Supervisor contributions will be included in the annual salary for retirement and life insurance purposes.
- f. Participants in the Dependent Care Account must meet tax law requirements in order to participate in this plan. Contributions may only be used to reimburse an administrator for expenses actually incurred during the plan year for which they were contributed. Any amounts remaining in the Dependent Assistance Account at the end of the Plan Year will be forfeited.

- g. The Health Care Spending Account will operate similar to the Dependent Care Account. The most important facts are that amounts contributed may only be used to reimburse expenses incurred during the Plan Year for which they were contributed, and amounts remaining at the end of the Plan Year will be forfeited.
- h. Supervisors may elect to receive their unused benefit dollars in cash which will be added to their regular pay check. If the supervisor elects this option, the payments will be prorated on a per-pay basis. This amount is taxable.
- i. Total supervisor contributions to the Dependent Care Account and/or Health Care Spending Account will all be prorated on a per-pay basis.
- j. Supervisors hired during the Plan Year will make their selection in advance of becoming eligible for benefits. This election will be in effect for the remainder of the Plan Year (except for a qualified life status change creating a special enrollment period for individuals who did not enroll in a group health plan when they were first eligible due to the existence of alternative coverage).
- k. Employees with at least 15 years of cumulative service with HCPSS, are retiring with the Maryland State Retirement Pension System, and are enrolled in one of the school system's medical, prescription, dental, and/or vision plans for at least one full year immediately prior to retirement date, are eligible for a Board contribution towards the cost of retiree coverage in accordance with the HCPSS Benefits Enrollment Guide for Retirees.
