Articulated Credit Form

This form is used to process transfer credit for Howard County Public School System (HCPSS) courses which are accepted under the articulation agreements between HCPSS Career Academies and Howard Community College. <u>This form must be accompanied with an official transcript from HCPSS in order for articulated credits to be recognized.</u> Students in the Child Development and Teacher academies must submit midterm grades.

Please complete all three sections of the form.

<u>Part I: Student Information</u> (PLEASE PRINT)

Student Name:
Student ID#:

Home Address:

City: Zip Code: Telephone:

High School: Guidance Counselor:

<u>Part II: Academic Information</u>

Intended HCC Program of Study:

     Program Code:

   Does Howard Community College have an official high school transcript on file?

     Yes   No

   Note: An official high school transcript must be submitted in order for articulated credits to be recognized.

High school course or program that applies:

     Career Academy Program: _____

Please indicate the courses you completed within the Howard County Public School System that may be eligible for transfer of credit under the articulation agreement:

High School Course Title	Midterm Grade	Final Grade

Version: 2021

Part III: Student Signature

By signing this form, I attest that the information I have provided is true and the documents that I am submitting are original official high school transcripts from the Howard County Public School System. I also understand that the articulation agreements between Howard County Public Schools and Howard Community College are program specific and that courses will not transfer if I am not in the correct HCC program.
