Information for Families

Howard County Student Code of Conduct

The Howard County Public School System (HCPSS) is committed to providing a safe, engaging and supportive learning environment where all policies are enforced

fairly and consistently. HCPSS policies and regulations emphasize instruction and rehabilitation rather than punishment and are designed to foster and reward appropriate behavior and keep students connected to school. We view the code of conduct as a team effort. There are responsibilities for staff, students, families and our community. Let's all do our part to make this year safe and successful for all!

Mental Health Supports

Every HCPSS school has staff available for students who require support throughout the school year to tend to their mental health needs. Students and parents/guardians should not hesitate to reach out to a counselor, liaison, social worker, psychologist or any trusted adult at school to be connected with these available resources.

Free and Reduced-Price Meals (FARMs) Program

Visit www.hcpss.org/farms and select “Apply Online” to begin the online application process. Qualifying families can receive free or reduced-cost school meals; health insurance; Howard Community College (HCC) tuition; SAT, ACT and AP exam fees; camps, sports, childcare; and many other benefits.

Online School Lunch Menus

Visit www.hcpss.org/food-services for information on breakfast and lunch menus; nutrition information and allergens; payment; the FARMs program application link; and more.

Student Personal Device Use in School

HCPSS policy requires students to keep personal technology devices away and silenced and ensure they are not a distraction during the student day. Visit www.hcpss.org/student-personal-device-use/ for more information on the policy, expectations, and consequences when policy violations occur.

Report Bullying, Cyberbullying, Harassment or Intimidation

Bullying, cyberbullying, harassment and intimidation compromise the school environment and well-being of students. Bullying, cyberbullying, harassment or intimidation of any person on school property, at school-sponsored activities, or that has a connection or nexus back to the school setting is prohibited. Report incidents online at www.stopbullying.hcpss.org/report/bullying or submit a paper copy of the form which is available in the school counselor's office, media center and health room.

Title IX

HCPSS is committed to providing an educational and work environment free from sexual discrimination. HCPSS prohibits discrimination on the basis of sex in its educational programs, co-curricular and extra-curricular activities, and in the workplace as required by law. Students can report sexual discrimination, harassment or misconduct online.

www.hcpss.org/schools/sexual-discrimination-harassment/

Health Services

Health services are provided in each school by registered nurses and health assistants. Services include, but are not limited to, medication administration, first aid, chronic and acute care disease case management, and assessment and intervention for illness and injury. www.hcpss.org/health

Attendance

It is extremely important that students attend school as often as possible. The data is clear—student attendance has a direct correlation to academic achievement and future success. Additionally, students who are absent lack interactions with peers and adults in their school, often leading to becoming isolated from the school environment and feeling less connected. That is why it is critically important that we reverse the troubling trend in absenteeism today. Please work with school staff to ensure your child attends school every day.

CTE Career Academies

The Career and Technical Education (CTE) Career Academies provide College and Career Ready experiences for high school students with many benefits, including:

- Small learning communities
- Authentic project-based activities
- Mentoring by experts in the field
- Participation in worksite experiences or employment while still in high school
- Opportunity to earn industry certifications, credentials and college credit

CTE Career Academy opportunities are available at high schools and the Applications and Research Laboratory (ARL). Discuss with your school counselor or visit <https://www.hcpss.org/academics/career-technical-education/>.

FAFSA: Free Application for Federal Student Aid

- Application will become available on October 1, 2025.
- Apply fall of senior year for best consideration
- Required by many colleges and scholarship organizations
- Apply online: <https://studentaid.gov/>
- More information about financial aid is available online: <https://www.hcpss.org/college-career-readiness/financial-aid/>

The Howard County Public School System does not discriminate on the basis of race, color, creed, national origin, immigration status, religion, physical, mental, or educational disability, pregnancy, age, gender, gender expression, gender identity, genetic information, sexual orientation, marital status, veteran status or socioeconomic status in its educational programs; including co-curricular and extracurricular activities, in the workplace or in hiring practices. The Howard County Public School System provides equal access to the Boy/Girl Scouts and other designated youth groups. The following person has been designated to handle inquiries regarding the non-discrimination policies: Title IX Coordinator/Equity Assurance Manager, Howard County Public School System, 10910 Clarksville Pike, Ellicott City, MD 21042, 410-313-6759. For further information on notice of non-discrimination, visit <https://ocras.ed.gov/contact-ocr> for the address and phone number of the office that serves your area, or call 1-800-421-3481.
