

PARENT ACADEMY

Navigating Technology with your Child

Saturday, November 21, 2015

10 a.m. – 11:15 a.m.

Long Reach High School

6101 Old Dobbin Lane, Columbia 21045

Please join us for an interactive panel discussion about how students are using technology in and out of school as well as how to relate to your technologically savvy child. Effective strategies for using technology responsibly and setting technology limits with youth will be shared.

Services available:

- Child Care
- Limited Transportation
- Interpreting

Please call in advance
to arrange services:
410-313-1598

To register for this session, please visit AACR-howard.org and click on AAC Parent Academy under the "Activities/Programs" tab.
