

Welcome

Attendance Area Committee

July 16, 2013

Meeting Agenda

- Outcomes
- Plan Evaluation Activity
- Developing Alternative Redistricting Scenarios
- Review Schedule
- Next steps

Outcomes

- Evaluate work from Table 1 & 2
- Create alternative redistricting scenarios
- Select alternative redistricting scenarios to recommend to Superintendent

Tools for developing scenarios

- Policy
- Feasibility Study & Supplement
- Planning Polygon Summary
- Feasibility Study Redistricting Map
- Current MS Attending Area Map
- Geographic Information System (GIS)
- Scenario testing software

Plan Evaluation

- Evaluate plan 1 & 2 using score sheet
- Find the person with the same letter on name tag
- Discuss your evaluations
- Agree on a next step
- Each pair reports out to entire group
- Return to groups and continue work

Scenario Testing

- Set a goal for improving plan
Use pre- and post- charts in Feasibility Study pages 38 & 41
- Identify a specific change (Move which polygons?)
Use Planning Polygon Report (Listed numerically by school)
- Test change in Whiffer
- View in map
- Discuss results
